*Citations presented in this first book-length bibliography ever compiled on the motion picture serial span serial film history, beginning with Edison's serial What Happened to Mary (1912) and concluding with Hollywood's final episode saga, Blazing the Overland Trail (1956). Among the many other serials covered: King of the Kongo, Perils of Pauline, Exploits of Elaine, Dick Tracy, Captain Marvel, Flash Gordon, The Lone Ranger, Green Hornet, and Tailspin Tommy. Since the serial has proved inspirational to present-day film-makers, as shown by Star Wars and Raiders of the Lost Ark and the Indiana Jones sequels, Schutz covers this topic as well. The book is designed as a master index with many cross references.*

*From the instant #1 New York Times bestselling author of the "eerie and fascinating" (USA TODAY) The Thirteenth Tale comes a "swift and entrancing, profound and beautiful" (Madeline Miller, internationally bestselling author of Circe) novel about how we explain the world to ourselves, ourselves to others, and the meaning of our lives in a universe that remains impenetrably mysterious. On a dark midwinter's night in an ancient inn on the river Thames, an extraordinary event takes place. The regulars are telling stories to while away the dark hours, when the door bursts open on a grievously wounded stranger. In his arms is the lifeless body of a small child. Hours later, the girl stirs, takes a breath and returns to life. Is it a miracle? Is it magic? Or can science provide an explanation? These questions have many answers, some of them quite dark indeed. Those who dwell on the river bank apply all their ingenuity to solving the puzzle of the girl who died and lived again, yet as the days pass the mystery only deepens. The child herself is mute and unable to answer the essential questions: Who is she? Where did she come from? And to whom does she belong? But answers proliferate nonetheless. Three families are keen to claim her. A wealthy young mother knows the girl is her kidnapped daughter, missing for two years. A farming family reeling from the discovery of their son's secret liaison stand ready to welcome their granddaughter. The parson's housekeeper, humble and isolated, sees in the child the image of her younger sister. But the return of a lost child is not without complications and no matter how heartbreaking the past losses, no matter how precious the child herself, this girl cannot be everyone's. Each family has mysteries of its own, and many secrets must be revealed before the girl's identity can be known. Once Upon a River is a glorious tapestry of a book that combines folklore and science, magic and myth. Suspenseful, romantic, and richly atmospheric, this is "a beguiling tale, full of twists and turns like the river at its heart, and just as rich and intriguing" (M.L. Stedman, #1 New York Times bestselling author of The Light Between Oceans).*

*"Commander William Monk has learned to live with the fact that he cannot remember the events of his life prior to a horrific carriage accident years ago. But when a ghost from his past, a man he has no recollection of, attempts to frame him for a series of murders, he must rely on the help of his wife Hester and his close friend Oliver Rathbone in order to free himself—from both the charges, and the demons that have haunted him since the accident."*

*When Chief Constable Sir Clinton Drifffield goes to stay with his friend Wendover, mysterious goings-on in the boathouse he owns soon attract the duo's attention. Lights go on and off, strangers come in and out, and a game warden is found murdered nearby. And as they work to solve the crime, a second body is dredged up from the lake ... 'Mr J. J. Who knew a big fat murder mystery would come bobbing in on my fishing hook?But it did. Well, sorta.And you'd think the long blond stands of hair might've given someone a clue.But they didn't. Not to everyone, that is.Oh sure, people talked. Some folks even said they knew who was at the bottom of the river. Others even said they knew how she got there too.But they didn't. Not really. It was just talk, and I knew it too. Mom said not to listen to what she called idle gossip.What's idle gossip? I asked.She never answered. though. And it didn't stop the rumors from flying around town either. Old Lady Hatch said it was the River spirits. She said they were awake again and they'd keep on taking people under the water until they'd taken everybody they wanted.But who'd believe a crazy old lady who lives with ninety-nine cats anyway?All I know is things haven't been the same since I reeled in that mess on the Riverwalk dock.
