Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

The classic YA story of a boy, a horse, and pursuit of a dream. TAMING THE STAR RUNNER written by celebrated novelist S.E. Hinton, now available as an eBook for the first time. With an absent mother and a domineering step-father, Travis uses his tough-guy exterior to hide his true passion: writing. After a violent confrontation with his step-father, Travis is sent to live on his uncle's horse ranch - exile to a born-and-bred city kid. Angry and yearning for a connection, Travis befriends Casey, the horse-riding instructor at the ranch, and the un-tamable horse in her stable: the Star Runner. When a friend from the city visits with stories of other kids from the neighborhood facing jail time, Travis is more determined than ever that he needs to escape the life of juvenile delinquency he seems destined for. When the offer of a book deal comes through, Travis is hopeful that this is his chance to escape, if only his step-father will stop standing in the way of his dreams. From the author of THE OUTSIDERS, S.E. Hinton once again writes about what it feels like to be unaccepted, and the power in being true to yourself. "Hinton continues to grow more reflective in her books, but her great understanding, not of what teenagers are but of what they can hope to be, is undiminished."—Kirkus Reviews An ALA Best Books for Young Adults An ALA Quick Pick

Eric is the new kid in seventh grade. Griffin wants to be his friend. When you're new in town, it's hard to know who to hang out with—and who to avoid. Griffin seems cool, confident, and popular. But something isn't right about Griffin. He always seems to be in the middle of bad things. And if Griffin doesn't like you, you'd better watch your back. There might be a target on it. As Eric gets drawn deeper into Griffin's dark world, he begins to see the truth about Griffin: he's a liar, a bully, a thief. Eric wants to break away, do the right thing. But in one shocking moment, he goes from being a bystander . . . to the bully's next victim. This title has Common Core connections.

From NYT bestselling author Jennifer A. Nielsen comes a stunning thriller about a girl who must escape to freedom after the Berlin Wall divides her family between east and west. *A Night Divided* joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content! With the rise of the Berlin Wall, Gerta finds her family suddenly divided. She, her mother, and her brother Fritz live on the eastern side, controlled by the Soviets. Her father and middle brother, who had gone west in search of work, cannot return home. Gerta knows it is dangerous to watch the wall, yet she can't help herself. She sees the East German soldiers with their guns trained on their own citizens; she, her family, her neighbors and friends are prisoners in their own city. But one day on her way to school, Gerta spots her father on a viewing platform on the western side, pantomiming a peculiar dance. Gerta concludes that her father wants her and Fritz to tunnel beneath the wall, out of East Berlin. However, if they are caught, the consequences will be deadly. No one can be trusted. Will Gerta and her family find their way to freedom?

Sixteen-year-olds Mark and Bryon have been like brothers since childhood, but now, as their involvement with girls, gangs, and drugs increases, their relationship seems to gradually disintegrate.

Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times

In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the

drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.

An American coming-of-age tale during a period when the entire country was losing its innocence to the second world war Set at a boys' boarding school in New England during the early years of World War II, *A Separate Peace* is a harrowing and luminous parable of the dark side of adolescence. Gene is a lonely, introverted intellectual. Phineas is a handsome, taunting, daredevil athlete. What happens between the two friends one summer, like the war itself, banishes the innocence of these boys and their world.

25th Anniversary Edition "A magnificent treasure for all cultures and all time. " --St.

Petersburg Times It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leónidas Trujillo ' s dictatorship. It doesn ' t have to. Everybody knows of *Las Mariposas--the Butterflies*. In this extraordinary novel, the voices of all four sisters--Minerva, Patria, María Teresa, and the survivor, Dedé--speak across the decades to tell their own stories, from secret crushes to gunrunning, and to describe the everyday horrors of life under Trujillo ' s rule. Through the art and magic of Julia Alvarez ' s imagination, the martyred *Butterflies* live again in this novel of courage and love, and the human costs of political oppression. Julia Alvarez ' s new novel, *Afterlife*, is available now. From *Cannibals to Christ-Followers--A True Story* In 1962, Don and Carol Richardson risked their lives to share the gospel with the Sawi people of New Guinea. *Peace Child* tells their unforgettable story of living among these headhunters and cannibals, who valued treachery through fattening victims with friendship before the slaughter. God gave Don and Carol the key to the Sawi hearts via a redemptive analogy from their own mythology. The "peace child" became the secret to unlocking a value system that had existed through generations. This analogy became a stepping-stone by which the gospel came into the Sawi culture and started both a spiritual and a social revolution from within. With an epilogue updating how the gospel has impacted the Sawi people, this missionary classic will inspire a new generation of readers who need to hear this remarkable story and the lessons it teaches us about communicating Christ in a meaningful way to those around us.

REA's MAXnotes for Alex Haley's *The Autobiography of Malcolm X* MAXnotes offer a fresh look at masterpieces of literature, presented in a lively and interesting fashion. Written by literary experts who currently teach the subject, MAXnotes will enhance your understanding and enjoyment of the work. MAXnotes are designed to stimulate independent thought about the literary work by raising various issues and thought-provoking ideas and questions. MAXnotes cover the essentials of what one should know about each work, including an overall summary, character lists, an explanation and discussion of the plot, the work's historical context, illustrations to convey the mood of the work, and a biography of the author. Each chapter is individually summarized and analyzed, and has study questions and answers. Amazon.com Review Malcolm X's searing memoir belongs on the small shelf of great autobiographies. The reasons are many: the blistering honesty with which he recounts his transformation from a bitter, self-destructive petty criminal into an articulate political activist, the continued relevance of his militant analysis of white racism, and his emphasis on self-respect and self-help for African Americans. And there's the vividness with which he depicts black popular culture--try as he might to criticize those lindy hops at Boston's Roseland dance hall from the perspective of his Muslim faith, he can't help but make them sound pretty wonderful. These are but a few examples. The Autobiography of Malcolm X limns an archetypal journey from ignorance and despair to knowledge and spiritual awakening. When Malcolm tells coauthor Alex Haley, "People don't realize how a man's whole life can be changed by one book," he voices the central belief underpinning every attempt to set down a personal story as an example for others. Although many believe his ethic was directly opposed to Martin Luther King Jr.'s during the civil rights struggle of the '60s, the two were not so different. Malcolm may have displayed a most un-Christian distaste for loving his enemies, but he understood with King that love of God and love of self are the necessary first steps on the road to freedom. --Wendy Smith Review Biography, published in 1965, of the American black militant religious leader and activist who was born Malcolm Little. Written by Alex Haley, who had conducted extensive audiotaped interviews with Malcolm X just before his assassination in 1965, the book gained renown as a classic work on black American experience. The Autobiography recounts the life of Malcolm X from his traumatic childhood plagued by racism to his years as a drug dealer and pimp, his conversion to the Black Muslim sect (Nation of Islam) while in prison for burglary, his subsequent years of militant activism, and the turn late in his life to more orthodox Islam. --The Merriam-Webster Encyclopedia of Literature

From the bestselling author of *Blink* and *The Tipping Point*, Malcolm Gladwell's *Outliers: The Story of Success* overturns conventional wisdom about genius to show us what makes an ordinary person an extreme overachiever. Why do some people achieve so much more than others? Can they lie so far out of the ordinary? In this provocative and inspiring book, Malcolm Gladwell looks at everyone from rock stars to professional athletes, software billionaires to scientific geniuses, to show that the story of success is far more surprising, and far more fascinating, than we could ever have imagined. He reveals that it's as much about where we're from and what we do, as who we are - and that no one, not even a genius, ever makes it alone. *Outliers* will change the way you think about your own life story, and about what makes us all unique. 'Gladwell is not only a brilliant storyteller; he can see what those stories tell us, the lessons they contain' Guardian 'Malcolm Gladwell is a global phenomenon ... he has a genius for making everything he writes seem like an impossible adventure' Observer 'He is the best kind of writer - the kind who makes you feel like you're a genius, rather than he's a genius' The Times

From the Booker Prize winning author of Amsterdam, a brilliant new novel. On the hottest day of the summer of 1935, thirteen-year-old Briony Tallis sees her sister Cecilia strip off her clothes and plunge into the fountain in the garden of their country house. Watching her is Robbie Turner, son of the Tallis's cleaning lady, whose education

has been subsidized by Cecilia's and Briony's father, and who, like Cecilia, has recently come down from Cambridge. By day's end, their lives will be changed - irrevocably. Robbie and Cecilia will have crossed a boundary they had not imagined at its start. And Briony will have witnessed mysteries, seen an unspeakable word, and committed a crime for which she will spend the rest of her life trying to atone... Brilliant and utterly enthralling in its depiction of love and war and class and childhood and England, An Atonement is a profound - and profoundly moving - exploration of shame and forgiveness, of atonement and of the possibility of absolution.

Eight-year-old Margaret Pokiak has set her sights on learning to read, even though it means leaving her village in the high Arctic. Faced with unceasing pressure, her father finally agrees to let her make the five-day journey to attend school, but he warns Margaret of the terrors of residential schools. At school Margaret soon encounters the Raven, a black-cloaked nun with a hooked nose and bony fingers that resemble claws. She immediately dislikes the strong-willed young Margaret. Intending to humiliate her, the heartless Raven gives gray stockings to all the girls – all except Margaret, who gets red ones. In an instant Margaret is the laughingstock of the entire school. In the face of such cruelty, Margaret refuses to be intimidated and bravely gets rid of the stockings. Although a sympathetic nun stands up for Margaret, in the end it is this brave young girl who gives the Raven a lesson in the power of human dignity. Complemented by archival photos from Margaret Pokiak-Fenton's collection and striking artworks from Liz Amini-Holmes, this inspiring first-person account of a plucky girl's determination to confront her tormentor will linger with young readers.

If you dabble or delay, you ’ ll never catch up to the people who got a head start. But a closer look at research on the world ’ s top performers, from professional athletes to Nobel laureates, shows that early specialization is the exception, not the rule. David Epstein examined the world ’ s most successful athletes, artists, musicians, inventors, forecasters and scientists. He discovered that in most fields—especially those that are complex and unpredictable—generalists, not specialists, are primed to excel. Generalists often find their path late, and they juggle

many interests rather than focusing on one. They ' re also more creative, more agile, and able to make connections their more specialized peers can ' t see.
