they attempt to

approaches, Saul loses
everything: his brother,
his parents, his beloved
grandmother—and then
his home itself. Alone in

a horrific boarding

school, Saul is
surrounded by violence
and cruelty. At the
urging of a priest, he
finds a tentative
salvation in hockey.

Rising at dawn to
practice alone, Saul
proves determined and
undeniably gifted. His
intuition and vision are
unmatched. His speed is

they open doors for him:
away from the school,

finally within grasp of a

as Saul's victories
mount, so do the
indignities and the
taunts, the racism and

of a world that will

since Omri discovered
in The Indian in the

turn of a key, he could
magically bring to life
the three-inch-high

Omri and his Indian,
Little Bear, create a
fantastic world together
until one day, Omri
realizes the terrible
consequences if Little
Bear ever got trapped in
his "giant" world.

Reluctantly, Omri sends
the Indian back through
the cupboard, giving his
mother the magic key to

But one year later, full of exciting news, Omri gives way to temptation when he finds that his mother has left the magic key lying on the bathroom sink. A whole new series of adventures awaits Omri as he discovers that his Indian

An incisive look at
American Indian

shows how, in the

compete on a global

however, the Indian
government has

results have been
stunning. India's
