Much of the life and ritual of the Druze in Lebanon appears mysterious to outsiders, as this esoteric sect remains closed to non-members. Lubna Tarabey, herself a member of this community, is ideally placed to offer insight into the family life, tradition and religious practices of the Druze. She looks back to the 1970s, and the start of a civil war that shattered Lebanon along confessional lines, to explore how the substantial social and political changes that have shaken the country have affected marriage and divorce practices. Family Law in Lebanon highlights the social ramifications of this civil war, as Lebanese society divided according to sectarian affiliations, strengthening this facet of identity to the detriment of a wider 'Lebanese' identification. It was through this process that the internal cohesion and solidarity of a group such as the Druze became even more important. Thus, for generations, the Druze way of life was characterized by a high degree of 'traditional' practices and customs. Examining the development of attitudes towards marriage and divorce uncovers the extent to which these traditions are being developed, negotiated and even cast aside. Through analysis of court records, Tarabey explores established and emerging patterns of marriage choices and grounds for divorce. She thus focuses on two interconnected trajectories: one that considers the changes in these overall family patterns and another that places these changes within the legal context in which they occur, focussing on the interplay between the social and the legal. It is through this that she

highlights a complex web of change and continuity, of traditional values competing with enhanced individualism and personal freedoms.

For more stories filled with passion and drama, look for Harlequin Presents June 2021 Box Set - 2 of 2 Working and living as an authentic Muslim—comporting oneself in an Islamically appropriate way—in the global economy can be very challenging. How do middle-class Muslims living in the Middle East navigate contemporary economic demands in a distinctly Islamic way? What are the impacts of these efforts on their Islamic piety? To what authority does one turn when questions arise? What happens when the answers vary and there is little or no consensus? To answer these questions, Everyday Piety examines the intersection of globalization and Islamic religious life in the city of Amman, Jordan. Drawing on in-depth ethnographic fieldwork in Amman, Sarah A. Tobin demonstrates that Muslims combine their interests in exerting a visible Islam with the opportunities and challenges of advanced capitalism in an urban setting, which ultimately results in the cultivation of a "neoliberal Islamic piety." Neoliberal piety, Tobin contends, is created by both Islamizing economic practices and economizing Islamic piety, and is done in ways that reflect a modern, cosmopolitan style and aesthetic, revealing a keen interest in displays of authenticity on the part of the actors. Tobin highlights sites at which economic life and Islamic virtue intersect: Ramadan, the hijab, Islamic economics, Islamic banking, and consumption. Each case reflects the shift from conditions and contexts of highly regulated and legalized moral behaviors to greater levels of uncertainty and indeterminacy. In its ethnographic richness, this book shows that actors make normative claims of an authentic, real Islam in economic practice and measure them against standards that derive from Islamic law, other sources of knowledge, and the pragmatics of everyday life.

That attraction becomes unavoidable when duty calls Karim—and his bride-to-be—back to Zafar... From Harlequin Presents: Escape to exotic locations where passion knows no bounds.
