

The Vampires Witch A Witch Between Worlds Book 1

From the author of the extraordinary Vampire Chronicles comes a huge, hypnotic novel of witchcraft and the occult through four centuries. Demonstrating, once again, her gift for spellbinding storytelling and the creation of legend, Anne Rice makes real for us a great dynasty of witches--a family given to poetry and to incest, to murder and to philosophy; a family that, over the ages, is itself haunted by a powerful, dangerous, and seductive being. On the veranda of a great New Orleans house, now faded, a mute and fragile woman sits rocking . . . and *The Witching Hour* begins. It begins in our time with a rescue at sea. Rowan Mayfair, a beautiful woman, a brilliant practitioner of neurosurgery--aware that she has special powers but unaware that she comes from an ancient line of witches--finds the drowned body of a man off the coast of California and brings him to life. He is Michael Curry, who was born in New Orleans and orphaned in childhood by fire on Christmas Eve, who pulled himself up from poverty, and who now, in his brief interval of death, has acquired a sensory power that mystifies and frightens him. As these two, fiercely drawn to each other, fall in love and--in

passionate alliance--set out to solve the mystery of her past and his unwelcome gift, the novel moves backward and forward in time from today's New Orleans and San Francisco to long-ago Amsterdam and a château in the France of Louis XIV. An intricate tale of evil unfolds--an evil unleashed in seventeenth-century Scotland, where the first "witch," Suzanne of the Mayfair, conjures up the spirit she names Lasher . . . a creation that spells her own destruction and torments each of her descendants in turn. From the coffee plantations of Port au Prince, where the great Mayfair fortune is made and the legacy of their dark power is almost destroyed, to Civil War New Orleans, as Julien--the clan's only male to be endowed with occult powers--provides for the dynasty its foothold in America, the dark, luminous story encompasses dramas of seduction and death, episodes of tenderness and healing. And always--through peril and escape, tension and release--there swirl around us the echoes of eternal war: innocence versus the corruption of the spirit, sanity against madness, life against death. With a dreamlike power, the novel draws us, through circuitous, twilight paths, to the present and Rowan's increasingly inspired and risky moves in the merciless game that binds her to her heritage. And in New Orleans, on Christmas Eve, this strangest of family sagas is brought to its startling climax.

A hidden witch heritage. A supernatural school shrouded in mystery. Unseen danger around every corner. Fans of The Vampire Diaries, Twilight, and A Shade of Vampire will be blown away by Supernatural Academy... When 16-year-old Bethany learns she's a witch, she jumps at the chance to attend Dusk Academy for Supernatural Studies where she'll study alongside other witches and vampires. Though the two races have had a tentative truce for the past decade, she quickly learns old animosity still lives strong on campus. Vampire James feels an immediate spark with Bethany, but when he learns she's the subject of ridicule and attacks for her friendship with him, he sets out to ensure she's protected. Neither is prepared for the secrets Dusk Academy holds. An incomplete history, mysterious figures, and a dark presence occupying the school all culminate in a supernatural showdown that requires Bethany to tap into her new-found powers. Will it be enough to save her new friends...and herself? Or will the dark forces haunting the shadows of the Academy prevail?

THE SEVENTH DAY was inspired by actual events and their resulting, recurring nightmares. "Skyla could not—would not—believe that she was meant to lead a mystical life. The plane was taking off and leaving the imaginary world behind." But the magical world had never been interested in leaving Skyla Jane Judge alone and would not start now. Bound for her home

in New England, 21-year-old Skyla Jane Judge is leaving behind the "den" where she found acceptance and the promise of eternal love and enlightenment in New Orleans. Confused about who she really is, she hopes that a return to her roots will provide her with some direction and help to ground her again. But den leader Steve has other plans. When he pays a call on her after a mysterious trip to the Louisiana Bayou, he proposes a destiny far more grand than the simple one she's come home in search of. Skyla ultimately must look deep into her soul for answers, and what she finds opens the door to a fate that exceeds her wildest imaginings. THE SEVENTH DAY (50,000 words) is Book #3 of The Vampire's Witch Saga, following Book #1 (THE DEN) and Book #2 (IN THE BLOOD). Book #4 in the series--SOMETHING WICKED--is now also available!

She's a vampire. She's a witch. And she's heartless... literally. Mercy died twice. Once when she became a vampire. Again, when her own father had her heart cut out of her chest. But Mercy's guide in the Craft had other ideas. The essence of her heart, now bound to her brother's soul, revived the vampire witch. But the Order of the Morning Dawn will stop at nothing to eliminate her. An organization devoted to two tasks-burning witches and vanquishing vampires-will literally go to hell and back in an effort to liberate Mercy's brother's soul and end Mercy's vampiric life. If Mercy wants to live

she must go to hell herself and capture her brother's soul before the Order can get to him. Will Mercy survive, or will the Order finally eliminate one of the most notorious vampires in existence? Bloody Hell is the first book in Theophilus Monroe's Legacy of a Vampire Witch series. These vampires don't sparkle. If Anne Rice's Vampire Chronicles ever met the Mayfair witches you might end up with a character like Monroe's Mercy Brown. She is a ruthless, badass, snarky anti-hero straight out of your worst nightmares. But you will want to root for her nonetheless! Bloody Hell will take you from the time she was turned in the 1890s through the present day. Readers of Monroe's Voodoo Legacy will get a glimpse of her role in that series-from her own perspective-while being taken on a new action packed adventure and dark urban fantasy story that is wholly Mercy's own. Unless I want a vampire for a sister, I better learn to trust one as a friend. There I was thinking saving Faerie had been challenging. Compared to what I'm up against now, fighting with the rebels to topple the Seelie regime seems like a walk in the park. Who would have thought that realm-wide strife and the threat of supernatural invasion could sound like the good old days? Everything can change in a day, as they say, and for me it sure as hell did. With my sister's life on the line for a magical crime she didn't commit, the clock is ticking loud and fast for me to save her. To clear her name, I need to unravel a mystery with so many knots that I'm not even sure where to start pulling. Do I choose the mysterious veil witch trying to kill us, the ruthless vampire seeking world domination, or the High Demon with the powers of a goddess? They're all involved somehow, and I'm willing to bet my old friend Vintain has a hand in this too. The problem being I don't have the first idea what their game is. Still, it appears that what happens in Faerie, doesn't stay in Faerie, or so I keep thinking. Then

there's the cherry on top of this little nightmare sundae: to sort this mess out I'll have to partner up with a vampire. Just perfect, seeing as I'm magically predisposed to obliterate her and she has every reason to hate me. But I better make it work, because if I don't turn things around soon I may end up with a vampire for a sister.

And a witch whose job it is to save people she dreams will die, but has a panic attack whenever she has to leave the house... However, when she has a prophetic dream of Michael's should-be girlfriend dying, Melinda needs to act fast. But saving their friend means doing one of three things Melinda dreads: Ask her brothers for help. Ask the vampire she's crushing on hard, and who's off limits, for help. Or worse, do it herself—but this means doing the hardest thing ever—leaving her house

The three siblings and their long-time family friend and mentor, an aged vampire named William, launch a supernatural mission to prove their innocence or guilt. “Feng Tianyi! Your brother destroyed my Tang family! Is there anything good about your family?” “En. Can’t you see how our good looking genes are passed on to our children? As for the Feng family’s debt, I will pay you.” He said nonchalantly. Tang Moyu scoffed and crossed her arms over her chest. “How will you pay for it?” “How about I repay you with my body?” “...” So shameless! The man sitting on his wheelchair burst into a round of laughter seeing her ugly expression. “Miss Tang, it’s no point pretending you haven’t seen it since you practically climbed on my bed and took advantage of me.” Five years ago, Tang Moyu was the empress of the business world and was at the peak of her career before she was reduced to nothing when her fiance fell in love with another woman. That was okay since there was no love between her and Feng Tianhua, but who would have thought that this ‘Cinderella’ was a wolf in sheep’s clothing? Then there’s Feng Tianyi, the infamous successor of the Feng family, a critically acclaimed author who constantly rocked the bestselling list with his books. Rumors say that he was hot-headed and temperamental. He was so ruthless, that neither men nor women wanted his company. The rumors even say that his face was so handsome and out of this world. He was practically a god amongst men. It was a pity that he was crippled. The two were never meant to meet again, but a pair of sweet little buns intervened. “Uncle, we don’t have money to pay you for damages.” The elder Little Bun said. “My manuscripts are invaluable,” This handsome uncle replied with amusement. “Uncle, if you don’t mind,

can we pay with our Mommy? She's also invaluable." And so the pair of sweet little buns and the handsome uncle entered an agreement but who would have thought that the woman in question was an ice-cold queen from hell who had a weird affinity with sweets? — Editor/proofreader: ninaviews Book cover: Bizzybiin / copyright 2020 anjeeriku

Time's Convert

Magic, love and a secret vampire nest beneath a graveyard. Alba is running away from a bad marriage and is about to lose everything. The good part? She's a witch. The bad one? She

doesn't know it. But the vampires of Emberbury are about to turn her whole world upside down. And Alba is about to find out that, sometimes, the scariest monster isn't the one with fangs... A story about a lost witch recovering her self-esteem, a seemingly cheerful vampire with a tortured past, and finding love in the most unexpected of places. Stray Witch is a Vampire and Witch Urban Fantasy and Romance novel for lovers of magic and paranormal women's fiction. This book is the first in the series but can also be read as a standalone story. What are readers saying about Stray Witch, book one of The Vampires of Emberbury series? "The story was very engrossing... really hard to put down." ????? "Great pacing, teasing and I loved the humorous banter between the main characters." ????? "Clarence was witty, gentlemanly and a very original and likable vampire overall. I think I have a new book boyfriend!" ????? Excerpt from Stray Witch: He looked exactly the way I would have devised a vampire: handsome, pale and enigmatic. But of course, he couldn't be one. Vampires didn't laugh like that, for a start; nor did they have a sense of humor at all. They were supposed to be broody and tragic, as far as I knew. "You are not a vampire," I said, crossing my arms. "You are just a geek in Victorian attire with weird extensible dentures." Oddly, he seemed to enjoy my remark. "Let me see," he said in a pensive tone. "I'm sure there's a way to refute that. I could bite you, of course, but that's against the rules of social etiquette, especially being our guest of honor..." The Vampires of Emberbury is a Paranormal Vampire Romance & Fantasy Series with an adult female protagonist. Other titles in this series: Stray Witch (Book 1) Witch's Mirror (Book 2) The Vampire's Assistant (Prequel)

Vampires, Witches, Demons and Humans... Love, Magic, Bloodlust, and Desire THE WITCH AND THE VAMPIRE - Book 1 - Modern-day witch, Ronna Gentry doesn't ride a broom-but she

can cast spells-and break them as well. Her touch can awaken vampires. And the amulet she wears around her neck can allow her to travel back in time. JARHARIS - Book 2 -The darkness is filled with strange things-vampires, fairies, visions of doom, and undead creatures that want to steal your soul. DUELLA - Book 3 - A vampire walks at night, stalking the unsuspecting, attacking without warning to sate his bloodlust. CHANDLER - Book 4 - Chandler resists the urge to sate his bloodlust with Jada, but then he realizes he is falling in love with her. The only way for them to be bound together forever, is if he turns her into a vampire.

Secrets always seem to find their way out, no matter how deeply we bury them. I'm rarely in the right place at the right time. More often, the opposite is true. My mother disappeared when I was sixteen, leaving me to fend for myself. If that wasn't bad enough, her coven rejected me and I ended up on the streets. That's all in the past though. Except for the felony record that follows me wherever I go. Still, I've made something of myself. I brew potions, heal the neckers the vampires feed on, and have even made a friend. It's a simple life, and I like it that way. But one dead necker has managed to ruin all that. As the pieces fall into place, I realize this isn't just another small-town murder. I know I'm just a pawn in this conspiracy. People with more money and more magic than I've ever had are running the show. But they don't know what I can do. I'm Olivia Carter, and this witch bites back ????? "Great book. I couldn't stop turning pages. I was shocked when the end came and I realized I hadn't put it down once. I highly recommend." ????? "The plot is face paced, the characters seem real, the writing is fresh, and I look forward to reading the second book." ????? "Fantastic world building and I was out smack dab in the middle of an adventure. I can't wait for the next book." Would you go to any lengths to save the one you love? The Willows is a resort town run by vampires, werewolves, and witches. Here, their true identities are kept secret from humans, and intimate relations between the individual clans are strictly forbidden. When a vampire falls in love with a werewolf, the tenuous line of their co-existence has been crossed. Caught in the crossfire of this revelation, a vampire clan leader and an innocent witch are killed. These deaths spark a series of horrific events leading to an all out War In The Willows. Unexpected close encounters, bodies ripe with need, and situations beyond their control lead to forbidden relationships. Now three vampires, a witch, a werewolf, and a human must ride along the edges of the rules. They will attempt once unthinkable romantic entanglements despite all those who oppose their relationships, while fighting for their lives. With the Willows full of violence and bloodshed, meetings and magic amiss, will the clans ever be able to find peace among them again? Or, will this war destroy the Willows?
