This is a great book for any Christian but especially Ministers.

This book looks at key figures in the Bible and gives useful tips for leadership.

This work is the result of arduous hours of research - entitled Biblical Cases of the

Reincarnation Type - developed during my graduate studies. Many have marveled at the finding's persuasiveness and have suggested their publication. The result is the very upbeat and "reader friendly" volume now in your hands. The Voice, like its

previous incarnation, offers the first demonstrable case for reincarnation in the Bible that is objective. It doesn't solely rely on how an author interprets a verse or suggests the subject, was surreptitiously removed from the scriptures. My
