

The Yugas Keys To Understanding Man

Marriage, understood and lived expansively, is a path to transcendent love—to realization of one's higher spiritual potential. This book is a practical and inspiring guide to help you follow the deeper call of your relationship. It will enrich not only your marriage, but your life.

Parallell passages from the Judeo-Christian Bible and the Bhagavad-Gita of India reveal a single unified teaching. East meets West and theological barriers tumble. Two Scriptures become one Truth.

Tirumantiram is the seminal text of Saiva-Siddhanta which has produced a galaxy of saints and has powerfully influenced the day-to-day life of millions in South Indiageneration after generation. Its author Tirumular was according to legend a yogi who took compassion on a herd of cattle that had lost their shepherd and entering the body of the shepherd by his yogic power continued to look after the flock. So when we find in this great classic such splendid gems as ""Anbe Sivam– God is Love — we realize that the great yogi preached only what he lived. His fervent message that the ultimate Reality is One and all of us belong to the same family has special relevance to us moderns who have lost our moorings of faith and and arewandering

Galli-Curci said about the book: "Amazing, true stories of saints and masters of India, blended with priceless superphysical information-much needed to balance the Western material efficiency with Eastern spiritual efficiency-come from the vigorous pen of Paramhansa Yogananda, whose teachings my husband and myself have had the pleasure of studying for twenty years."

Essence of the Upanishads - A Key to Indian Spirituality (Revised edition of Dialogue with Death, with new series preface and introduction - 19 new pages from transcripts of Easwaran's talks) Easwaran shows how the Katha Upanishad can help us understand our lives today Easwaran takes one of India's classic wisdom texts, the Katha Upanishad, and explains how it embraces all the key ideas of Indian spirituality within the context of a powerful mythic quest - the story of a young hero who ventures into the land of death in search of immortality. Illustrating the insights of the Katha through analogies and everyday examples, Easwaran shows how these ancient teachings help us gain a deeper understanding of our world and ourselves today.

From ancient to modern times, seers and psychoanalysts have conjectured about why we dream. Now, in this book, we have an explanation both timely and timeless. Yoga is an ancient spiritual science that has much to say about subtle realities. Why do you dream, and what do your dreams mean? Let Paramhansa

Tirumantiram - A Tamil Scriptural Classic

A beautifully evocative account of one man's odyssey to discover authentic and unbroken magical traditions in the East and reawaken them in the West • Details the author's encounters with the Naga Babas, his initiation into their tradition, and his experience at the Kumbh Mela, the largest spiritual gathering on Earth • Shares the similarities he discovered between the teachings of the Indian tradition and the Western traditions of magic, alchemy, and pagan pantheons •

Introduces a wide cast of characters, including Goa Gil, the world-renowned guru of the Goa techno-trance scene, and Mahant Amar Bharti Ji, a "raised-arm Baba," who for more than 40 years

has held up one arm in devotion to Shiva Beautifully detailing his spiritual pilgrimage from West to East and back again, in the age of strife known as the Kali Yuga, Aki Cederberg shares the authentic and unbroken magical traditions he experienced in India and Nepal and how his search for a spiritual homeland ultimately led him back to his native Europe. Cederberg explains how his odyssey began as a search for spiritual roots, something missing in the spiritually disconnected life of the Western world, where the indigenous traditions were long ago severed by the spread of Christianity. Traveling to India, he encounters the ancient esoteric order of mystic, wild, naked holy men known as the Naga Babas, the living source of the Hindu traditions of magic and yoga. Immersing himself in the teachings of the tradition, he receives an initiation and partakes in the Kumbh Mela, the largest spiritual gathering on Earth. With his evocative descriptions, Cederberg shows how traveling in India can be an overwhelming, even psychedelic experience. Everything in

this ancient land is multiplied and manifold: people and things, sights and sounds, joy and suffering. Yet beyond the apparent confusion and chaos, a strange, subtle order begins to reveal itself. He starts to glimpse resemblances and analogies between the teachings of the Indian tradition and the Western traditions of magic, alchemy, and pagan pantheons. He meets a wide cast of characters, from mystical hucksters in Rishikesh and the veritable army of naked, chillum-smoking mystics of Maya Devi to Goa Gil, the world-renowned guru of the Goa techno-trance scene, and Mahant Amar Bharti Ji, an urdhvabahu or “raised-arm Baba,” who for more than 40 years has held up one arm in devotion to Shiva. After extensive traveling and immersing himself in the extraordinary world of India, Cederberg returns to his native soil of Europe. Traveling to holy places where old pagan divinities still linger in the shadows of the modern world, he dreams of forgotten gods and contemplates how they might be awakened yet again, reconnecting the West with its own pre-Christian spiritual

traditions, sacred landscapes, and soul.

This extraordinary treatise explores parallel passages from the Bible and the Hindu scriptures to reveal the essential unity of all religions. Swami Sri Yukteswar is renowned as the revered guru of the great pioneer of yoga in the West, Paramahansa Yogananda (author of *Autobiography of a Yogi*). In this remarkable work - composed in the year 1894 at the request of the great Indian sage, Mahavatar Babaji - Sri Yukteswar outlines the universal path that every human being must travel to enlightenment. spirituality, and sentient life in the universe.

Jay Shetty, social media superstar and host of the #1 podcast *On Purpose*, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you ' ll understand:

- How to overcome negativity
- How to stop overthinking
- Why comparison kills love
- How to use your fear
- Why you can ' t find happiness by looking for it
- How to learn from everyone you meet
- Why you are not your thoughts
- How to find your purpose
- Why kindness is crucial to success
- And much more...

Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk ' s path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his re sume , he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world ' s largest corporations—who were experiencing tremendous stress, pressure, and

Download File PDF The Yugas Keys To Understanding Man

unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the Forbes magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, On Purpose, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, Think Like a Monk reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.

This Is A Remarkable Book. It Untangles The Many Complexities Of The Vedas And Combines Staal S Scholarly Respect For The Texts, With Explanations That Are Lucid And Occasionally Witty. His Insights Are Thoughtful And Perceptive. Romila Thapar In

This Unprecedented Guide To The Vedas, Frits Staal, The Celebrated Author Of Agni: The Vedic Ritual Of The Fire Altar And Universals: Studies In Indian Logic And Linguistics Examines Almost Every Aspect Of These Ancient Sources Of Indic Civilisation. Staal Extracts Concrete Information From The Oral Tradition And Archaeology About Vedic People And Their Language, What They Thought And Did, And Where They Went And When. He Provides Essential Information About The Vedas And Includes Selections And Translations. Staal Sheds Light On Mantras And Rituals, That Contributed To What Came To Be Known As Hinduism. Significant Is A Modern Analysis Of What We Can Learn From The Vedas Today: The Original Forms Of The Vedic Sciences, As Well As The Perceptive Wisdom Of The Composers Of The Vedas. The Author Puts Vedic Civilisation In A Global Perspective Through A Wide-Ranging Comparison With Other Indic Philosophies And Religions, Primarily Buddhism For Staal, Originally A Logician, The Voyage Of Discovering The Vedas Is Like Unpeeling An Onion But Without The Certainty Of Reaching An End. Even So, His Book Shows That The Vedas Have A Logic All Their Own. Accessible, Finely-Argued, And With A Wealth Of Information And Insight, Discovering The Vedas Is For Both The Scholar And The Interested Lay Reader.

A comprehensive guide to the ancient beliefs and

Download File PDF The Yugas Keys To Understanding Man

spiritual power of subterranean spaces • Examines in depth the myths, symbology, deities, and beliefs connected to the underworld from many different cultures and mystery traditions • Investigates the role of the underworld in initiatory rites and mystical practices, such as the Orphic Mysteries, the chambers of reflections in Freemasonry, the cult of the Black Madonna, and the cult of Isis • Discusses the telluric currents that run through ley lines, the significance of underground waterways, Hollow Earth theory, and the denizens of the subterranean realms, such as dragons, gnomes, and dwarfs

Ancient cultures around the world understood the spiritual powers of the underworld. For millennia, natural caves and caverns were turned into sacred underground temples and, from holy mountains and cliffs, churches were beautifully carved into solid rock. Offering a guide to the spiritual energies that flourish beneath the surface of the Earth, Jean-Pierre Bayard explores the esoteric mysteries of the underworld, including the symbolic significance of caves, caverns, and underground temples. He examines in depth the myths, symbology, deities, and beliefs connected to the underworld from many different cultures and mystery traditions, from ancient Egypt to Scandinavia and Europe to the Middle East and India. He investigates the role of the underworld in initiatory rites, such as the Orphic Mysteries and Christ 's descent into hell,

Download File PDF The Yugas Keys To Understanding Man

revealing that at the heart of these teachings is the transformative power of a hero ' s descent into and return from the underworld. The author connects the esoteric attributes of the world below with the cult of the Black Madonna and the earlier cult of Isis. He discusses the telluric currents that run through ley lines, the significance of underground waterways, the esoteric properties of gems and stones, and the " mineral blood " of the alchemists. He also looks at Hollow Earth theory and the denizens of the subterranean realms, such as dragons, gnomes, and dwarfs. Explaining how the Earth is the womb of the world, Bayard shows how initiatic descent into the sacred subterranean realms reflects the descent of spirit into matter and its slow crystallization. By entering the body of the Earth Mother we are transformed, initiated into primordial wisdom and reborn as spiritual beings.

let anyone see: three people in black camouflage, an open safe, and an enormous hunk of wall hovering in midair. Getting caught was not an option." Protectors Michael and Elle are thrown into an all-out search to find and stop a shadowy group that is on the brink of controlling the world's money. Joined by super-hacker Xu, and newly Awakened East End bank bandit, Fiona, Michael and Elle pose as colossally rich bait to lure the Six out of deep cover. Finding their quarry proves deadly dangerous-and sets Michael and Elle racing around the globe, desperately seeking a way to stop the Six before their leader, Asher, destroys their minds. . . . The Protectors Diaries series is sci-fi/fantasy with a spiritual twist: page-turning action fueled by levitation, telekinesis, and telepathy. The ancient past-involving the still-living, and deadly poisonous, Lucrezia Borgia, and the nearly immortal, and coldly powerful, Chin Shi Huang, the first Emperor of China-catapults us into today's financial crisis. Moving spiritual experiences counterpoint nerve-racking action as Michael and Elle risk everything to stop the Six. (This book picks up where Protectors Diaries (Vol. 1): The Fifth Force leaves off.) ""Selbie's Protector's Diaries kept me turning pages late at night with his tale of mind-bending power and spirituality woven into a thought-provoking adventure." Jeffrey Small author of "The Breath of God" and "The Jericho Deception" ""The Protectors Diaries provide page-

Download File PDF The Yugas Keys To Understanding Man

turning reads, but these books are much more than a great fantasy/thriller series. They say there is truth in fiction, and amidst the action, Selbie manages to weave in an uplifting and compelling vision of our own high spiritual potentials. The first in series, *The Fifth Force*, gets off to a rocketing start and is continued in the second, *The Six*. The series skillfully combines leading-edge science, ancient history, contemporary issues, telepathy, levitation, great characters, love, and loyalty. Engaging and inspiring. You'll be glad you couldn't put them down." "Graham Hancock author of *War God: Nights of the Witch*" and *Fingerprints of the Gods*" "This book is highly entertaining and a joy to read. The plot is intelligent and uplifting, and the "good guys" are wonderfully delightful. I wholeheartedly recommend *Protectors Diaries: the Six*" "Joseph Bharat Cornell author of *Sharing Nature with Children*" and *The Sky and Earth Touched Me*"

PREFACE. THE Author of this very practical treatise on *Scotch Loch - Fishing* desires clearly that it may be of use to all who had it. He does not pretend to have written anything new, but to have attempted to put what he has to say in as readable a form as possible. Everything in the way of the history and habits of fish has been studiously avoided, and technicalities have been used as sparingly as possible. The writing of this book has afforded him pleasure in his leisure moments, and that pleasure would be much

Download File PDF The Yugas Keys To Understanding Man

increased if he knew that the perusal of it would create any bond of sympathy between himself and the angling community in general. This section is interleaved with blank sheets for the readers notes. The Author need hardly say that any suggestions addressed to the case of the publishers, will meet with consideration in a future edition. We do not pretend to write or enlarge upon a new subject. Much has been said and written-and well said and written too on the art of fishing but loch-fishing has been rather looked upon as a second-rate performance, and to dispel this idea is one of the objects for which this present treatise has been written. Far be it from us to say anything against fishing, lawfully practised in any form but many pent up in our large towns will bear us out when we say that, on the whole, a days loch-fishing is the most convenient. One great matter is, that the loch-fisher is depend-ent on nothing but enough wind to curl the water, -and on a large loch it is very seldom that a dead calm prevails all day, -and can make his arrangements for a day, weeks beforehand whereas the stream- fisher is dependent for a good take on the state of the water and however pleasant and easy it may be for one living near the banks of a good trout stream or river, it is quite another matter to arrange for a days river-fishing, if one is looking forward to a holiday at a date some weeks ahead. Providence may favour the expectant angler with

Download File PDF The Yugas Keys To Understanding Man

a good day, and the water in order but experience has taught most of us that the good days are in the minority, and that, as is the case with our rapid running streams, -such as many of our northern streams are, -the water is either too large or too small, unless, as previously remarked, you live near at hand, and can catch it at its best. A common belief in regard to loch-fishing is, that the tyro and the experienced angler have nearly the same chance in fishing, -the one from the stern and the other from the bow of the same boat. Of all the absurd beliefs as to loch-fishing, this is one of the most absurd. Try it. Give the tyro either end of the boat he likes give him a cast of ally flies he may fancy, or even a cast similar to those which a crack may be using and if he catches one for every three the other has, he may consider himself very lucky. Of course there are lochs where the fish are not abundant, and a beginner may come across as many as an older fisher but we speak of lochs where there are fish to be caught, and where each has a fair chance. Again, it is said that the boatman has as much to do with catching trout in a loch as the angler. Well, we dont deny that. In an untried loch it is necessary to have the guidance of a good boatman but the same argument holds good as to stream-fishing...

"Selbie clearly describes why phenomena labeled 'transcendent,' 'paranormal,' or 'spiritual' are more consistent with a modern scientific

Download File PDF The Yugas Keys To Understanding Man

understanding of reality than is commonly supposed." —Dean Radin, PhD, chief scientist, Institute of Noetic Sciences, author of *Real Magic and Entangled Minds* "The book combines science and religion in a way that can change how the reader views reality, the material world, God, and how they see themselves." —*New Spirit Journal* "The *Physics of God* is an impressive and thought-provoking work which should be regarded as an important commentary regarding the metaphysical mysteries of life, physical reality, and human consciousness. Highly recommended!" —*Spirituality Today* The explanations of transcendent phenomena given by saints, sages, and near-death experiencers—miracles, immortality, heaven, God, and transcendent awareness—are fully congruent with scientific discoveries in the fields of relativity, quantum physics, medicine, M-theory, neuroscience, and quantum biology. The *Physics of God* describes the intersections of science and religion with colorful, easy-to-understand metaphors, making abstruse subjects within both science and religion easily accessible to the layman—no math, no dogma. This intriguing book: Pulls back the curtain on the light-show illusion we call matter. Connects string theory's hidden brane worlds to religion's transcendent heavens. Reveals the scientific secret of life and immortality: quantum biology's startling discovery that the human body is

Download File PDF The Yugas Keys To Understanding Man

continuously entangled. Demonstrates the miracle-making power of our minds to effect instantaneous physiological changes. Included in this revised edition is a new chapter on the physics of meditation and other updates.

Compelling and concise, *The Physics of God* will make you believe in the unity of science and religion and eager to experience the personal transcendence that is the promise of both.

Demystifying Patanjali

The sacred Flower of Life pattern, the primary geometric generator of all physical form, is explored in even more depth in this volume,

Download File PDF The Yugas Keys To Understanding Man

the second half of the famed Flower of Life workshop. The proportions of the human body, the nuances of human consciousness, the sizes and distances of the stars, planets and moons, even the creations of humankind, are all shown to reflect their origins in this beautiful and divine image. Through an intricate and detailed geometrical mapping, Drunvalo Melchizedek shows how the seemingly simple design of the Flower of Life contains the genesis of our entire third-dimensional existence. From the pyramids and mysteries of Egypt to the new race of Indigo children, Drunvalo presents the sacred geometries of the Reality and the subtle energies that shape our world. We are led through a divinely inspired labyrinth of science and stories, logic and coincidence, on a path of remembering where we come from and the wonder and magic of who we are. Finally, for the first time in print, Drunvalo shares the instructions for the Mer-Ka-Ba meditation, step-by-step techniques for the re-creation of the energy field of the evolved human, which is the key to ascension and the next dimensional world. if done from love, this ancient process of breathing prana opens up for us a world of tantalizing possibility in this dimension, from protective powers to the healing of oneself, of others and even of the planet. Embrace the expanded vision and understanding that Drunvalo offers to the world. Coincidences abound, miracles flourish and the amazing stories of mysteries unveiled arise as the author probes the Ancient Secrets of the Flower of Life.

There are eighteen Mahapuranas, great Puranas, and the Siva Purana is one of them. Siva is a vivid retelling of the Siva Purana for today's reader. The book contains all the major legends of Siva, bringing them alive again for a new generation.

What happens as we grow spiritually? Is there a step-by-step process that everyone goes through all spiritual seekers, including those of any or no religious persuasion as they gradually work their way upward, until they achieve the highest state of Self-realization? About 2200 years ago, a great spiritual master of India named

Download File PDF The Yugas Keys To Understanding Man

Patanjali described this process, and presented humanity with a clear-cut, step-by-step outline of how all truth seekers and saints achieve divine union. He called this universal inner experience and process yoga or union. His collection of profound aphorisms a true world scripture has been dubbed Patanjali s Yoga Sutras.

Unfortunately, since that time many scholarly translators with little or no spiritual realization have written commentaries on Patanjali s writings that have succeeded only in burying his pithy insights in convoluted phrases like becomes assimilated with transformations and the object alone shines without deliberation. How can any reader understand Patanjali s original meaning when he or she has to wade through such bewildering terminology? Thankfully, a great modern yoga master Paramhansa Yogananda, author of the classic Autobiography of a Yogi has cut through the scholarly debris and resurrected Patanjali s original teachings and revelations. Now, in Demystifying Patanjali, Swami Kriyananda, a direct disciple of Yogananda, shares his guru s crystal clear and easy-to-grasp explanations of Patanjali s aphorisms. As Kriyananda writes in his introduction, My Guru personally shared with me some of his most important insights into these sutras. During the three and a half years I lived with him, he also went with me at great length into the basic teachings of yoga. I was able, moreover, to ask my Guru personally about many of the subjects covered by Patanjali. His explanations have lingered with me, and have been a priceless help in the [writing of this book]. The spiritual path is like any other road—it's going to have its share of potholes and detours. Safe travel requires a quality rarely taught yet critically important in today's world: discernment. In Eyes Wide Open, Mariana Caplan supports us in cultivating the acute judgment and discrimination that will help us to live a spiritual life with intelligence, clarity, and authenticity. Is enlightenment less about fireworks and bliss and more about dismantling illusions? How do we fully integrate our practice into daily living? What's the best way to work with the ego and the shadow? Eyes Wide Open explores these questions and more, offering practitioners from any tradition—or those just getting started—a traveler's guide through "the labyrinth of increasing subtlety" that defines a genuine spiritual life. Eyes Wide Open has received the following awards: 2010 Gold IPPY—New Age (Mind-Body-Spirit) 2010 Gold Living Now

Award—Enlightenment/Spirituality 2010 Silver Nautilus Award—Spirituality

Barkat' means abundance. An abundance of blessings and auspiciousness. Where there is no dearth and there is no scarcity, that's Barkat. It's a much bigger word than can be translated in English. This is the story of one of the most beloved chefs from India, Vikas Khanna. From the small town of Amritsar, he grew to be an international chef

Download File PDF The Yugas Keys To Understanding Man

and fulfilled his dream of getting a Michelin Star. He narrates how his grandmother infused in him the values of sharing food, while the langars of the Golden Temple showed him that community kitchens are perhaps the only way to ensure no one goes hungry. From these values developed around food, he got the goal and the grit to build one of the world's largest food drives called 'Feed India' during the COVID-19 lockdown. This deeply personal and heart-touching narrative is a testimony of one man's vision to showcase Indian culture and the intrinsic value of sharing food to the world.

Inspired by Yogananda's classic The Science of Religion, here is a nondogmatic approach to religion for the agnostic and believer alike.

"The book presents a summary of the current scientific understanding of the physical world, and shows that man's questioning across the ages has had continuity in terms of preoccupation with paradoxes."--

charming, mischievous and profound, Dr. Amit Goswami uses the language and concepts of quantum physics to explore and scientifically prove metaphysical theories of reincarnation and immortality. In Physics of the Soul, Goswami helps readers understand the perplexities of the quantum physics model of reality and the perennial beliefs of spiritual and religious traditions. He shows how they are not only compatible but also provide essential support for each other. The result is a deeply broadened, exciting, and enriched worldview that integrates mind and spirit into science. Includes a new preface. This book presents the author's sometimes stranger-than-fiction adventure of recovering long-buried geometric and zodiacal keys which unlock and reveal the true context and sense of the Rig Veda, the lore of Vishnu's avatars, St. John's Revelation and many other ancient mysteries or mythologies. The recovery of these keys dismantles thousands of years of accumulated distortions, superstitions and religious dogmas that have arisen from world-wide ignorance of the occulted meaning and context of the Rig Veda. It simultaneously facilitates passage into our higher (or supramental) ranges of consciousness, wherein all of life is

Download File PDF The Yugas Keys To Understanding Man

known as a divine singularity or Oneness unfolding itself in the unified field of Time and Space. The revelations herein descended in 2016 as a continuation of Sri Aurobindo's yogic mission to uplift the "Secret of the Veda" along with the true origin and goal of Yoga and the Sanatana Dharma (Eternal Truth) of the Ancient Seers. This book is aimed towards readers interested in the evolution of consciousness, as well as sacred geometry, astrology, integral gnosis, symbology, the true origins of yoga, and the eternal truths (Sanatana Dharma) of India's Vedic Rishis or Seers in our day and Age of Aquarius. It may be of special interest to students of the Supramental and Integral Yoga of Sri Aurobindo the Mother and Patrizia Norelli-Bachelet (Thea), but one does not have to be familiar with these maha yogis to enjoy, understand, and benefit from the descent of Gnosis that is contained herein. Readers who enjoy Dan Brown books (especially "The Lost Symbol") should appreciate this entirely non-fictional account of the recovery of long-lost symbols and treasures of the Vedic Rishis, which help to solve or demystify many of our world's greatest ancient mysteries, including the true significance of the release of the Seven Rivers in the

Rig Veda and the parallel account of the release of the Seven Vials or Bowls of St. John's Revelation. At the least it exposes math (or geometry) as the core of our ancient mythology. In addition to discussing the Kali Yugas and Indian mythology in depth, other world mythologies touched upon include: legends of Thor the Thunder God, Pegasus, the Divine Physician, Dionysus (Bacchus), the Fountain of Youth, water nymphs, Medusa, King Arthur, Excalibur, the Holy Grail, the Water Bearer of Aquarius, the Aztec Sun Stone, the Philosopher's Stone, the Rock of Ages and accounts of Biblical heroes walking on water or holding waters (seas) apart, or extracting water from a rock to quench the masses, as well as the idea of the Virgins of Heaven who await God's faithful martyrs. The single Vedic origin and context of all these mythologies becomes fully apparent in this book. It also becomes apparent that the name and mythology of Niagara Falls is firmly connected to Vedic lore. Is it possible that two of the greatest men of the Norman Conquest—William the Conqueror and his son, Henry I of England—have recently reincarnated as Paramhansa Yogananda (spiritual master and author of the classic Autobiography of a

Yogi) and his close disciple, Swami Kriyananda—and if so, what are the subtle connections between the Norman Conquest and modern times? How will these past lives influence our future?

Astrology of the Seers is a clear yet comprehensive presentation of Vedic astrology and makes this difficult-to-understand subject clear, practical and relevant. it reveals the deeper implications of the Vedic system in sections on astrology as a spiritual science, astrology and psychology, astrology and yoga. Of special interest, the book explains the cycle of the world-ages (yugas), showing the Vedic view of human history, and the connection of our solar system with galactic sources of energy. Thirty-two example charts of all types are explained including those of many spiritual teachers, covering all the main aspects of its philosophy, background and practice, including chart interpretation and methods of balancing planetary influences such as mantra and gem therapy. The present edition has been thoroughly revised and updated.

brew of emoticon opera, fairytale fan-fiction, and chat-room flame war, POP CORPSE! follows a heroine mermaid on her devoutly disarming search for "realness." Along the way, Glenum dismantles pieties of both the left and the right, proposing new models of configuring text, voice, body and species-hood for those who swim in the increasingly fetid waters of the 21st century.

Today's view of history cannot account for ancient anomalies, such as the Pyramids and advanced knowledge contained in India's Vedas—but in 1894 an Indian sage gave us an explanation not only for our hidden past, but for the trends of today and for our future enlightenment—the 24,000 year yuga cycle. Just like the Nazi UFO's, the Vedic flying machines dwell somewhere in the realms between apocryphal technology and the occult. The work 'Vymanika Shaastra' has been ascribed to the sage Maharshi Bharadwaja. Maharshi Bharadwaja is known to be a scholar both in science, philosophy, cosmology and warfare. The work on ancient Vedic flying machines was channelled by Pundit Anekal Subbaraya Shastry to a Sanskrit scholar, Sri G Venkatachala Sharma and translated into English by G.R. Josyer. The Vedic flying machines were supposed to be capable of the same flight manoeuvres as Hitlers' flying saucers (VRIL Rundflugscheiben). The 102nd Indian Science Congress, held at the Mumbai University in January 2015, organised a session on "ancient sciences through

Sanskrit" in which a presentation on Vaimānika Śāstra was included. It was delivered by Anand J. Bodas, a pilot, and Ameya Jadhav, who holds an M.A. in Sanskrit as well as an M.Tech. degree. Bodas, speaking to the news media, has said that the aeroplanes of Vedic times could fly not only from country to country, but also "from planet to planet." "In those days, aeroplanes were huge in size, and could move left, right, as well as backwards, unlike modern planes which only fly forward," he added. NASA was not amused with this Congress...

Essence of the Upanishads

The Stage of Time

Journeys in the Kali Yuga

Vymānika Śāstra

The book begins by introducing the reader to a fantastic possibility - that humanity may be on the verge of a major shift in consciousness rooted in a new understanding of how our DNA operates - namely that it is programmed directly by the way we think and feel. This is a highly ambitious and sophisticated system for shaping one's destiny. Based around 64 archetypes, it resembles the I Ching in its vast scope and profound importance, and in the resonant character of its symbolism. The

author shows how there are two ways to approach the Gene Keys - the analogue (holistic) way and the digital (detailed) way. It is the combining of both analogue and digital that results in contemplation - the primary pathway into the Gene Keys. Since our beliefs shape our genes, when we change our beliefs, we change the chemistry of our body. The Gene Keys are an inner language whose central purpose is to transform our core beliefs about ourselves, thus raising our lives onto a new level of awareness. The book works alongside state-of-the-art online profiling software. This software will provide instantaneous free profiles known as 'Hologenetic Profiles', which uses astrological data (time, date and place of birth) to generate a unique sequence of Gene Keys that relate to many aspects of your life, including the underlying genetic patterns governing your relationships, your finances, your health and your life purpose. As the reader contemplates the 64 Gene Keys over time and applies their insights in his or her own life, so one's belief system will begin to change and our DNA will actually start to transform the way we think and feel. Setting aside the pervasive material bias of science and lifting the obscuring fog of religious sectarianism reveals a surprisingly

clear unity of science and religion. The explanations of transcendent phenomena given by saints, sages, and near-death experiencers—miracles, immortality, heaven, God, and transcendent awareness—are fully congruent with scientific discoveries in the fields of relativity, quantum physics, medicine, M-theory, neuroscience, and quantum biology. The Physics of God describes the intersections of science and religion with colorful, easy-to-understand metaphors, making abstruse subjects within both science and religion easily accessible to the layman—no math, no dogma. This intriguing book: Pulls back the curtain on the light-show illusion we call matter. Connects string theory's hidden brane worlds to religion's transcendent heavens. Reveals the scientific secret of life and immortality: quantum biology's startling discovery that the human body is continuously entangled. Demonstrates the miracle-making power of our minds to effect instantaneous physiological changes. Explains how the intelligent observer effect confirms our high spiritual potential. Compelling and concise, The Physics of God will make you believe in the unity of science and religion and eager to experience the personal transcendence that is the promise of both.
