

## Three Little Words A Memoir

Mount Airy North Carolina was the birthplace of the late actor Andy Griffith and Historian Tom Perry. In this memoir of their hometown, Perry tells the story of the real Mayberry and his thoughts of the most famous son of the piedmont North Carolina town. This book is part memoir, part biography and part tour guide about Andy Griffith and Mount Airy, North Carolina. Beginning on the day Andy Griffith died, July 3, 2012, Perry tells about the town that day and goes back in time to bring Griffith and his own family to Mount Airy to work in the factories in the twentieth century. Sharing his connections with Griffith, Perry tells about the youth both shared in Mount Airy. The book then follows Andy Griffith to the University of North Carolina at Chapel Hill, Goldsboro to teach school and then Broadway, television and movies in a career that lasted decades. The book also details the effect of Andy Griffith on Mount Airy with the decades long tourism boom that began in the 1980s with the town taking on the persona of the fictional Mayberry that Griffith obviously used to in his highly successful Andy Griffith Show that ran on CBS for eight years ending its run as the number one show on television.

Traces the author's painful childhood in a series of foster homes, her deteriorating relationship with her emotionally unstable mother, abuse at the hands of a foster family, and her subsequent efforts to advocate for an improved foster care system.

Evan loves being big brother to Sam and Finn. They do everything together—go fishing, climb trees, and play astronauts. But lately, Evan notices that he and Sam don't look like brothers anymore. Sam wants to have long hair, and even asks to wear a dress on the first day of school. As time goes by, Evan comes to understand why Sam wants to look like a girl—because Sam is a girl. Sam is transgender. And just like always, Sam loves to dream with Evan and Finn about going to the moon together. Based on one family's real-life experiences, this heartwarming story of a girl named Sam and the brothers who love and support her will resonate with readers everywhere.

Carol Tyler has been a professional (and highly acclaimed) cartoonist for over 20 years, appearing in such venues as Weirdo, Wimmen's Comix, and Drawn & Quarterly magazine. But over the years her status as a working mother has drastically curtailed her ability to set aside time for her cartooning. Thus each rare new story from her pen has been greeted with hurrahs as well they should be, because she's one of the most skillful, caustic, and emphatic cartoon storytellers of her generation. This new book presents the biggest, richest and most delightful collection of Tyler's work to date featuring many new and previously unpublished works.

Ireland Born America Bound  
A Mix of Short Fiction and Memoir  
Breaking Night

*The Book of Knowledge and Wonder is a memoir about claiming a legacy of wonder from knowledge of a devastating event. In some ways it has the feel of a detective story in which Steven Harvey pieces together the life of his mother, Roberta Reinhardt Harvey, who committed suicide when he was eleven, out of the 406 letters she left behind. Before he read the letters his mother had become little more than her death to him, but while writing her story he discovered a woman who, despite her vulnerability to depression, had a large capacity for wonder and a love of familiar things, legacies that she passed on to him. The book tackles subjects of recent fascination in American culture: corporate life and sexism in the fifties, mental illness and its influence on families, and art and learning as a consolation for life's woes, but in the end it is the perennial theme of abiding love despite the odds that fuels the tale. As the memoir unfolds, his mother changes and grows, darkens and retreats as she gives up her chance at a career in nursing, struggles with her position as a housewife, harbors paranoid delusions of having contracted syphilis at childbirth, succumbs to a mysterious, psychic link with her melancholic father, and fights back against depression with counseling, medicine, art, and learning. Harvey charts the way, after his mother's death, that he blotted out her memory almost completely in his new family where his mother was rarely talked about, a protective process of letting go that he did not resist and in a way welcomed, but the book grows out of a nagging longing that never went away, a sense of being haunted that caused the writer to seek out places alone-dribbling a basketball on a lonely court, going on long solitary bicycle rides, walking away from his family to the edge of a mountain overlook, and working daily at his writing desk-where he might feel her presence. In the end, the loss cannot be repaired. Her death, like a camera flash in the dark, blotted out all but a few lingering memories of her in his mind, but the triumph of the book is in the creative collaboration between the dead mother, speaking to her son in letters, and the writer piecing together the story from photographs, snatches of memory, and her words so that he can, for the first time, know her and miss her, not some made up idea of her. The letters do not bring her back-he knows the loss is irrevocable-but as he shaped them into art, the pain, that had been nothing more than a dull throb, changed in character, becoming more diffuse and ardent, like heartache.*

*This memoir is one of the rare first-hand accounts of a child's life in the Warsaw Ghetto and in hiding on the Aryan side. In this short, beautifully written account, the author weaves together memories from her wartime childhood, reflections on the psychological burdens and damages she carried into her adult life, and accounts of her travel, in*

*the last decade of her life, to contemporary Warsaw, seeking to find traces of the past. In these pages, the reader will encounter events as they were experienced by a child, as well as insights and confessions of an adult-written vividly, honestly, and with striking psychological insight. This unique tapestry of time and perspective makes this book stand out in the vast and growing literature about the Holocaust. This is the black and white version.*

*-- LongBennett's pretty sure that if there was ever a woman to break his "no flings" rule, Gia would be it. Sure, she's stubborn. She's also funny, smart, and the attraction between them is getting hotter with every state line they cross. While Bennett doesn't do casual, Gia doesn't do "relationships." But if they break the rules, this unlikely pair might discover that their impromptu road trip could turn out to be the best ride of their lives. "The perfect rom-com." -Refinery29 on One and OnlyOne and Only.*

*Let Me Tell A Story is quite a departure from the military crime fiction Betit has published in the past. Written in the same tight but detailed style characteristic of his earlier books, this collection is a mix of short fiction and memoir, first-person stories that take place over a period of nearly 60 years. Although written in the first person, the narrator of one story is not necessarily the narrator of the next story in the book. It starts with a tale about a 12-year-old boy who learns some important life lessons during a family trip to Maine's northern-most Aroostook County in the 1950s. It ends with a piece about an elderly Maine couple learning some lessons of their own while coming to grips with old age in the near present. In between there are stories about young soldiers and old soldiers, husbands and wives, mothers and fathers and other sordid types. Half of the ten stories in the book take place in Maine. A lot of the pieces were based on Betit's experiences during the Vietnam War and its aftermath "I call them woulda-coulda-shoulda stories," he said. "All of them contain more than one grain of truth. Usually, a lot more." Previously, Betit published Phu Bai, Kagnev Station and The Man In The Canal, military crime novels set in South Vietnam, Ethiopia and Sweden, respectively, during the late 60s and early 70s. That series follows the adventures of U.S. Army CID investigator John Murphy. During book talks promoting his crime novels Betit sometimes read early versions of a few of the stories in Let Me*

Tell A Story at his events. "It was a good change of pace and the stories were well received," he said. "Like my other books, this book can be classified as a good read."

Layla, a Palestinian woman, witnesses the diaspora of her family during the war in Palestine in 1948. Torn between her culture and the western way of life, Layla chases a dream of love and independence. Her journey takes her around the world, ending with a dramatic love story with a Jewish American man. Out of Reach is a compelling story of an independent woman who learns the harsh lessons of her life through marriage, romance, loss and deceit.

An inspirational and handy book of consciousness and love. Bring it with you on your daily journey for happiness everywhere you go.

Oh no! The big bad wolf is in London! But he is no match for these three little pigs! Staring a silly big bad Siberian Husky, the cleverest Guinea Pig this side of a hard hat, and famous London city landmarks, this version of the Three Little Pigs turns the classic children's story into a hilarious tale of London pride! Revised Edition

A Fighter Pilot's Memoir

The Catskills

He Loves Me, He Loves Me Not

**It was only supposed to be a short visit. It turned into a love affair. Melanie White is in trouble. Young, unmarried, with no resources to speak of, she's forced to flee home and hide out with her aunt on a ranch in a western mining town. She's just passing through on her way farther West, and it's a good thing, too: she can't stand the ranch owner. He's rowdy, immature...and undeniably attractive. David Tanner has his life just the way he likes it: he does what he wants, when he wants, and nobody can tell him any different--least of all, his former nanny's niece Melanie, who likes books more than people. But when a family emergency forces Melanie and David to work together, she discovers that there's more to him than meets the eye. And he finds out that life as a bachelor may not be what he likes after all. Contains mild language and sensual content within marriage.**

**When a ventilator prevented her from speaking during her final hours, Jennifer started writing. After her death, her husband turns to those pages to tell her story of courage and faith. James had just walked through the door after a day's work when Jennifer told him the news that changed everything: it was cancer. In the following two years they would lose**

***their sense of normalcy and their dreams for the future. But along the way, they would gain something even greater than their loss. Told through the eyes of a grieving husband is this true story of a young woman's fight for her life. Jennifer's final words, penned by hand when a ventilator prevented her from speaking, provide a powerful backdrop to this journey of faith and hope. A memoir that also offers a practical pathway for those struggling with loss, The Last Seven Pages is a testimony of a God who is present in our darkest moments, and who turned a devastating illness into a life-changing promise.***

***A sequel to Three Little Words traces the author's post-foster care years, describing her adventures in college, her relationship with her spouse and her decision to have both biological and foster children.***

***Join the twins as they explore the rocky beach and we practice Chinese "almost counting vocabulary." The story is completely translated to English, with both bopomofo and pinyin for Chinese pronunciation help. There are many notes reviewing and explaining Chinese grammar and word choices.***

***The Author's True Story about Her Bout with Cancer***

***After telling a lie that caused the death of her boyfriend, Nevada is forced to live with a guilty conscience. While suffering in silence, her heart is slowly shattering, causing her to feel empty inside. She's almost positive that she will never find love again, until the infamous Quavo Wallace enters her life by surprise. Nevada is hesitant to trust him with her heart, but before she knows it, she finds herself deep in love again. Quavo is everything she's ever desired, but when a heartbreaking secret is revealed, Nevada is not sure how to deal with her pain. While folding under pressure, she makes a decision that is sure to come back and bite her in the ass. Quavo is one of the most handsome, charming, and wealthiest thugs around. Women throw themselves at him daily, but his heart belongs to Nevada. He's willing to go above and beyond for her happiness, but when he discovers that she betrayed him, his heart turns cold. He retaliates by making a move that sends Nevada into a deep depression. As their relationship crumbles, Nevada realizes that Quavo is her soul mate, and she's willing to fight for his love. But when she crosses paths with someone from his past, the pain in her heart returns, causing her to do the unthinkable. What was once a beautiful love affair quickly turns into a deadly dose of heartbreak.***

***PROCEEDS OF THIS BOOK donated to Civil Liberties Defense Center in Eugene, Ore. which assists varied groups protecting Mother Earth. (www.cldc.org). This book is a mythological telling of memoir, based on true events that***

*happened to the author in and around Dineh (Navajo) lands in Arizona, USA. And within the "hippy" movement in the Pacific Northwest during the 1970's and 1980's. Dineh (Navajo) asked rag tag hippies and the active environmental movement of the time, for help in their resistance to forced relocation by the U.S. Government. Hippies responded happily. "Legends" depicts their converging paths and the treacheries involved in demanding human rights for American Indian nations. Using both mythology and memoir the endnotes of this book help readers to learn about facts of Big Mountain resistance, and the overall landscape of white and Red worlds, meeting. The story weaves truths otherwise unseen. With Love, as the theme.*

*"The White Invaders" by Raymond King Cummings. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.*

*In the vein of The Glass Castle, Breaking Night is the stunning memoir of a young woman who at age fifteen was living on the streets, and who eventually made it into Harvard. Liz Murray was born to loving but drug-addicted parents in the Bronx. In school she was taunted for her dirty clothing and lice-infested hair, eventually skipping so many classes that she was put into a girls' home. At age fifteen, Liz found herself on the streets. She learned to scrape by, foraging for food and riding subways all night to have a warm place to sleep. When Liz's mother died of AIDS, she decided to take control of her own destiny and go back to high school, often completing her assignments in the hallways and subway stations where she slept. Liz squeezed four years of high school into two, while homeless; won a New York Times scholarship; and made it into the Ivy League. Breaking Night is an unforgettable and beautifully written story of one young woman's indomitable spirit to survive and prevail, against all odds.*

**Sid has spent most of his life with a loving foster family, so he is shocked when a stranger brings him information on his biological family including a troubled younger brother who may need him.**

The texts which comprise this small book - forms of essay, talk, dialogue - at one time saw themselves as individualists who went somewhere (to small press magazines) on their own. Now they are here, collected with the chance of going nowhere together. As it should be: since they represent the fate of language and translation in the memory of aliens living inside America - like a family going nowhere together, but at home. The philosopher Jacques Derrida and his family are part of this family in the dead letter office, and curiously they are named going nowhere together at home. Along the way, so are the poets Charles Reznikoff and William Carlos Williams and Emmanuel Hocquard and Juliette Valery and Charles Olson, as well as Horace's Odes in translation. You will find in this Memoir what it means for an alien to search for his family in a book outside the time of its writing. You will find him discovering that translation is a personal story and that poetry might not have a home without it. You will find him wondering: whose voices are these which we hear around us as we write, as Babel turns to rumor through the fact of translation, wherein a book is being made and remade from American to French and back again? You will find him through translation like a Being in the Poetry of the Extraterritorial, an un-owned territory which is neither French nor American but is negotiated by the rumor of a poetry which emerges from both, a future condition (État) which seeks the name it could be but is not. Follow this alien Being's trajectory: he is not of America but grows up in it. He publishes a book in French translation before it appears in the American English original. He becomes native to a writing whose eloquence is always in question, at times because it is passive, at other times because it is unpronounceable. Who, over time, finds his Memoir? In the dead letter office, we do. We find someone somewhat like ourselves, who uses language and translation as if these were a poet's gifts in the making of history, a history which is foreign yet integral to his homeland. We find someone who uses it to return to his own people and place, so that he can "only stand more/revealed." We find someone who will act the new basis for his identity - the consciousness whose coming into Being must be premised on his existence in another world.

Tell em to hold on, a real bitch is coming.' Kahyla James was an ordinary girl with dreams of one day making it big. And she was well on her way, especially with a street gangsta like Anthony 'Boston' Dixon training her to be a self made bitch. But when she was betrayed by the people that she loved the most it forced her to take actions into her own hands and show the city just how ruthless she could be. Ride with Kahyla as she navigates the streets showing the gangsta's that the penalty for betrayal is still death.

This is the story of an Irish family from Cork Ireland. It documents how they survived in the 50's and 60's and will take you on a roller coaster ride of every emotion, sometimes all on the same page. Here you will read of an inspiring mother, always encouraging her six children to laugh at life, and believe in tomorrow. She did this inspiring while battling a domineering old grandmother, and an alcoholic husband, as her children drank tea from their jam jars, and read by a candle. Its a book filled with humor, drama, and dreams that come true, culminating in the author meeting his American dream. It's said the book is like, Irish Stew for the Soul. You will feel uplifted when you finish reading a book that seems to be everyone's story.

One Woman's Quest for Love, Family and a Lost Country

"Sunshine, you're my baby and I'm your only mother. You must mind the one taking care of you, but she's not your mama." Ashley Rhodes-Courter spent nine years of her life in fourteen different foster homes, living by those words. As her mother spirals out of control, Ashley is left clinging to an unpredictable, dissolving relationship, all the while getting pulled deeper and deeper into the foster care system. Painful memories of being taken away from her home quickly become consumed by real-life horrors, where Ashley is juggled between caseworkers, shuffled from school to school, and forced to endure manipulative, humiliating treatment from a very abusive foster family. In this inspiring, unforgettable memoir, Ashley finds the courage to succeed - and in doing so, discovers the power of her own voice.

Jet Pioneer: A Fighter Pilot's Memoir is the remarkable story of Major General Carl G. Schneider's thirty-two year U.S. Air Force career. Beginning in 1946 as a newly enlisted AAF private, he rose through the ranks to become a two star general--an accomplishment very few men in American history have ever achieved. This book is a fascinating look into the unprecedented career of a jet fighter pilot who flew one hundred combat missions in Korea and served in Vietnam flying combat missions with the VNAF. Filled with personal stories, Jet Pioneer: A Fighter Pilot's Memoir takes the reader along as the author recounts riveting combat missions, often humorous accounts of his Air Force career as well as the "gut-wrenching moments" of learning close friends were shot down by the enemy and killed or captured.

This is a most touching and emotional true story. of the author's battle with cancer. It is a detailed and personal account of how a very strong believer and family-oriented woman beat ovarian cancer. Although that type of cancer historically develops rapidly and has devastating effects, this true story shows how faith, family and love are a powerful force to reckon with. A must read for anyone with or without an illness! Eight years hence she is Cancer Free. It shows what faith in God can do. God is really alive and can work miracles in our lives. We just have to believe. The Author relates events when her life and financial well-being were threatened by this dreadful disease. Her strong faith in God saw her through all the trials she had to undergo during her several months of treatment. Writing this book gives her the opportunity to demonstrate to others the meaning of prayer and family unity . Eight years hence, she is now Cancer Free and wants to shout it to the world. The book serves as an inspiration for those in a similar situation to not give up but trust in god and continue fighting. She especially wants to acknowledge her loving husband who was a pillar of support throughout her ordeal.

The Anarchist's Guide to Grammar: "Banish the "rules" of grammar in the U.S.!" is the revolution called for by author Val Dumond. "Scary? Of course, but drastic measures must be taken. Just look at the state of language today! The time is now! Stand up and reclaim it!" "We've been taking U.S. language for granted," claims this long-time writer. We make several assumptions: 1) that we have a language called "Proper English"; 2) that a set of "rules" lies in some mysterious place, written by some mysterious authority; 3) that one must follow those "rules" to speak and write correctly. Not so! The time has arrived to banish what we call "rules" and expose the assumptions." Dumond asks: What would happen if we all spoke the language of our heritage? We would quickly learn the sound of the Tower of Babel - since US-language has come about by

combining languages from (at least) 150 countries around the world. As immigrants enter the country, they bring with them new ideas, cultures, foods, music, and language. As they become settled, they combine their culture with US-ers, thus enriching all of us in the United States, including our language. In an amusing Introduction, Val explains how we have assumed there exists an incontrovertible set of grammar "rules" to be followed in order to speak proper, correct, good English. "We're not in England anymore!" she points out. Oh yes, we started out with British "rules," but as we declared our independence, language changed, and continues to change. Do you really understand ordinary British English? Numerous pundits over time have drawn up what they consider the "rules" of grammar and forced them on their students. Yet, when those students run up against someone who studied a different set of "rules," confusion and doubt rear their heads. Must we in the U.S. speak "proper English" or do we have a language all our own? After clarifying the conundrum of US-language, Dumond offers guidelines to aid writers in determining what constitutes understandable language. Those guidelines don't depend on memorizing all the crazy names for the parts of language, but rather the guidelines focus on how those parts function. Nouns and pronouns become Things; adjectives and adverbs become Modifiers; punctuation becomes Rules of the Road - all presented in easily understood language, with examples to boot. Included in the guidelines are ways to decide which nouns to capitalize how to discern the difference between plural and possessive nouns how pronouns perform ways to vary word modifiers how to add modifying phrases and clauses use of the little words that serve as the glue to connect words into sentences how to use the dots, dashes, and curly cues we call punctuation. But she doesn't stop there. Writers will especially enjoy the freedom offered to create new words and put together sentences and paragraphs. She offers suggestions to use numbers and inclusive language, as well as offering four ways to improve spelling. The solution to the confusion of US-language seems so simple. Look at the "rules" that come close to your interpretation, then modify them to make them work for you. Set up Your Style Manual, rather than depend on style manuals put together according to some other group's interpretations. And she shows you how. All this is included in *The Anarchist's Guide to Grammar*: toss out the assumptions, clarify them, pick up some basic, helpful guidelines, and write with power and assurance. No longer will you need to ask, "What are the rules for writing Proper English?" At last, you'll understand why there aren't any. At last you can write your own guidelines.

The Anarchist's Guide to Grammar

Legends of Emergence

Drive Gently

A Poignant Memoir

*An intriguing, uncensored, inside view of the not-so-friendly skies through the eyes of*

former flight attendant, Margo Anderson. If you are a frequent flier, or if you plan to fly in the near future, fasten your seat belt for a turbulent read! After five years of flying with a commuter airline based at Atlanta's Hartsfield-Jackson International Airport, Anderson draws on her personal experiences and conversations, painting a portrayal of life as a flight attendant--grueling twelve hour days, complaining and unfriendly passengers, and unexpected, almost unbelievable situations, especially in the days and weeks following 9/11. Anderson navigates the complex world of flight crews with clarity, insight, wittiness, and her own special brand of humor. Readers are given a view of flying they may never have seen before, through the lens of the workhorse of the airline industry, regarded by many as the "puddle-jumpers," the commuter airlines. My father's suspicious death, perhaps at the hands of a small town sheriff's department, forced my mother to flee our hometown--Idamay, West Virginia--a few days after he died in 1954. She was told that he'd hung himself in a jail cell in Fairmont, West Virginia, where he was being held for driving while intoxicated. She was afraid they would do something to her and leave us kids orphaned. Though we left Idamay, that town and our devastating loss followed us. My father's absence, though seldom spoken about, was "present" everywhere we turned. My mother never looked back. But when she died forty-two years later, his death came back to me in full force. I felt compelled to investigate further. I'd heard conflicting stories all my life. This book documents an investigation that yields more questions than answers for the seven-year-old survivor who has an insatiable need to know. This book is about this seven-year-old whose entire life was indelibly marked by this tragic loss that she experienced when she had just reached what is often called the age of reason. Her quest for the truth takes her to places she'd never dreamed she could go. Because there is so much she doesn't know, she finds herself leaning heavily on her imagination to help her to navigate this mysterious and fatherless world.

These are the magic stories of RUMPLESTILTSKIN, THE FROG PRINCE, and THE UNGRATEFUL SON told in rhymes and beautiful illustrations for your delight. The Grimm stories are a collection of German fairy tales first published in 1812 by the Grimm brothers, Jacob,

*and Wilhelm. These stories have certainly endured the test of time and keep delighting our children. For more than 200 years, millions of children have enjoyed and learned with these tales. Perhaps no other stories possess as much power to enchant, delight, and surprise as those penned by the immortal Brothers Grimm. In this edition, your children will enjoy three classic tales now told in catchy rhymes and beautiful modern illustrations. Enjoy the reading! Each story has a moral for educating your children with entertainment.*

*Rich and Judy Hill had a dream: to build a simple handcrafted log home in Michigan's Upper Peninsula. But what began as a grand adventure soon morphed into a complex entanglement of blueprint designs, contractor problems, and unforeseen financial expense. Taking it upon themselves to complete the construction of a 2500 square-foot full-size log house while working with a very limited budget, the Hills unwittingly waded into the quicksand of dealing with unreliable subcontractors, cost overruns, and winter blizzards, as well as the unpredictable nature of building with logs. Their venture in the north woods of Lake Superior would test their persistence and resolve and teach them a great deal not only about themselves but about the risks and rewards of pursuing an obsessive American dream.
