

Tour Guide Jobs

Real-life flight attendant Heather Poole has written a charming and funny insider’s account of life and work in the not-always-friendly skies. Cruising Attitude is a Coffee, Tea, or Me? for the 21st century, as the author parlays her fifteen years of flight experience into a delightful account of crazy airline passengers and crew drama, of overcrowded crashpads in “Crew Gardens” Queens and finding love at 35,000 feet. The popular author of “Galley Gossip,” a weekly column for AOL’s award-winning travel website Gadling.com, Poole not only shares great stories, but also explains the ins and outs of flying, as seen from the flight attendant’s jump seat.

Fascinating facts, figures, and pictures highlight informative text about some of the most interesting and extreme jobs that use science. Young readers will learn what kind of training it takes to be a food taster, how much money a human lie detector makes, and what exactly a professional beard grower does!

The New York Times Bestselling guide for managers and executives. Introducing the new, realistic loyalty pact between employer and employee. The employer-employee relationship is broken, and managers face a seemingly impossible dilemma: the old model of guaranteed long-term employment no longer works in a business environment defined by continuous change, but neither does a system in which every employee acts like a free agent. The solution? Stop thinking of employees as either family or as free agents. Think of them instead as allies. As a manager you want your employees to help transform the company for the long term. And your employees want the company to help transform their careers for the long term. But this win-win scenario will happen only if both sides trust each other enough to commit to mutual investment and mutual benefit. Sadly, trust in the business world is hovering at an all-time low. We can rebuild that lost trust with straight talk that recognizes the realities of the modern economy. So, paradoxically, the alliance begins with managers acknowledging that great employees might leave the company, and with employees being honest about their own career aspirations. By putting this new alliance at the heart of your talent management strategy, you'll not only bring back trust, you'll be able to recruit and retain the entrepreneurial individuals you need to adapt to a fast-changing world. These individuals, flexible, creative, and with a bias toward action, thrive when they're on a specific "tour of duty"—when they have a mission that’s mutually beneficial to employee and company that can be completed in a realistic period of time. Coauthored by the founder of LinkedIn, this bold but practical guide for managers and executives will give you the tools you need to recruit, manage, and retain the kind of employees who will make your company thrive in today’s world of constant innovation and fast-paced change.

Everyone wants to visit New York at least once. The Big Apple is a global tourist destination with a dizzying array of attractions throughout the five boroughs. This title provides long history of tour-giving across the globe as well as the ups and downs of New York’s tour guide industry in the wake of 9/11.

This book tells you how to become a GREAT tour manager/guide and is written in a way that will connect with you". - Kristene Murphy"Quite simply the best product available to aspiring tour guides on the market today. No industry professional should be without it." - Industry Insider

This is the second edition of the study of Ayn Rand's first novel, We the Living, which is set in Soviet Russia, and was written in 1936, ten years after she left the U.S.S.R. Topics explored include: the fascinating history behind the novel's creation; its autobiographical nature; its reception during America's "Red Decade"; its connection to Victor Hugo (Rand's favorite novelist); and, the philosophy of freedom and the sanctity of life which it portrays and defends.

A debut collection of short fiction blends elements of Indian traditions with the complexities of American culture in such tales as "A Temporary Matter," in which a young Indian-American couple confronts their grief over the loss of a child, while their Boston neighborhood copes with a nightly blackout. Original. 20,000 first printing.

"Profiles jobs in travel and hospitality such as Baggage porters and bellhops, Bed and breakfast owners, Hotel concierges, Interpreters and translators, Ski resort workers, and Travel agents."—Résumé de l'éditeur.

10 EASY STEPS to YOUR FUTURE

Rethink Tourism in the Andamans - Research Report

The Alliance

"Whether you're going for that promotion, looking to jump ship, or change careers entirely, Michael Watkins' Your Next Move is a book you'll want to read." So starts the positive review of Your Next Move on the influential 800 CEO Read website. It's true that all leaders--no matter how seasoned--need guidance through the professional changes that define a career. In fact, transitions into new roles are the crucibles in which leaders get their toughest tests, and they're the defining factor in professional careers today. Yet far too often, leaders fail to transition effectively into new roles. The resulting costs are high, for individual careers and for organizations. In Your Next Move, leadership-transition guru Watkins shows how you can survive and thrive in all the major transitions you will face during your career-including promotions, leading former peers, on-boarding into a new organization, making an international move, or turning around or realigning an organization. With real-life examples and case studies, Watkins illustrates the defining hurdles associated with each type of transition. He then provides the insights, strategies, and tools you'll need to accelerate through these crucial turning points and continue moving up in your career. The necessary complement to the author's bestselling guide The First 90 Days, which has been translated in more than 20 languages worldwide, Your Next Move offers the keen observations, tried-and-true management wisdom, and practical good sense Watkins is renowned for. It's a vital resource for any manager or executive seeking to maintain career momentum. To quote the reviewer from above: "It's not just about "moving" but about what happens when those actions are taken. Success or failure are the two options, and which option you emerge with will determine what happens going forward. Watkins' book definitely has the research and insight to equip you for the better of the more than 20."

Presents opportunities for employment in the field of education listing over ninety job descriptions, salary range, education and training requirements, and more.

Encouraging, user-friendly, and altogether unique, Mosby’s Tour Guide to Nursing School encourages you to not only survive nursing school, but excel in whichever program you select. Throughout the book, Dr. Chenevert compares your journey through nursing school to a road trip, and she offers advice to increase your understanding, help you successfully navigate obstacles, and make your journey more enjoyable. You’ll learn how to prepare for the NCLEX® and your nursing career, how to get good grades, how to deal with failure, how to improve oral and written reports, and much more. A must-have for every nursing student! Endorsed by the National Student Nurses Association (NSNA). Written by a nationally known motivational speaker and nurse, the book’s down-to-earth approach uses humor and clever analogies to clearly teach the information you need to know. Uses the analogy of a cross-country road trip to help you see the relationships between different aspects of nursing school, as well as give you a finite view of its duration and end result. Inspirational quotes throughout offer wisdom and encouragement from fellow nursing students and graduates. The appendix lists numerous diverse resources you’ll find useful before, during, and after nursing school. Electronic Age Information covers distance learning, online courses, and podcasts, facilitating your success both in today’s electronic classroom and with the advancing technology in nursing. A special NCLEX® chapter (Chapter 29: Are We There Yet? Almost.) provides you with the tools you need to prepare for and pass the NCLEX®. Updated statistics and information on the emerging trends of the workforce keep you current with what’s happening in the world outside nursing and help you make educated choices during nursing school. Three chapters are devoted to diversity in today’s workforce and the non-traditional student. Thorough coverage of ADN, BSN, and RN-BSN programs (program prerequisites, differences, and more) helps you make informed decisions about your choice of nursing programs. An appendix of Online Resources provides quick and easy access to web sites that will assist both students and graduates with continued study and real-world advice.

The how-to guide to finding profitable, fulfilling work after 50 Aimed at workers aged 50+ looking for a new job—whether they have been laid off or taken early retirement, need supplemental income, or want to pursue an encore career—Great Jobs for Everyone 50+ is the definitive guide to finding lasting financial security and personal and professional fulfillment. Opportunities abound—the trick is knowing where to look and what to expect. Whether readers are interested in trying jobs they’ve long dreamed of doing, or just want something with flexible hours that brings in a little extra income, this book covers all the options. As Americans live longer and healthier lives, the desire to work longer—for the income, the mental engagement, or the chance to give back—has grown. But there is little guidance for the 50+ crowd looking for work and few role models who’ve blazed a path. In Great Jobs for Everyone 50+, author and personal finance, retirement, and career transitions expert Kerry Hannon shows the way, with compelling stories from people who’ve been there. Presenting the nitty-gritty details of available job opportunities, wages to expect, typical hours, and the qualifications and savvy needed to get hired, the book is loaded with practical advice on how to prepare both professionally and financially to start out on a new adventure. Shows where the best opportunities for new employment lie Helps readers find profitable and rewarding jobs to save for retirement Understands that different workers want different things from their jobs and shows how to cast a wide net to find an opportunity that fits Provides incredible insights into working after 50 from Kerry Hannon, a nationally renowned expert in personal finance,

retirement, and career transitions Motivational, inspirational, and thoroughly practical, Great Jobs for Everyone 50+ explains how to find part-time, temporary, work-at-home, or seasonal employment in profitable, rewarding jobs.

Finding Work That Keeps You Happy and Healthy ... And Pays the Bills

Your Next Move

Whether you want to become a tour guide or are already working in the industry, How to Be an Award-Winning Tour Guide can help transform your guiding skills from basic to brilliant and open new doors to one of the world's most exciting professions. Written by award-winning tour operators and tour guide trainers, this book is loaded with insight, personal experiences, industry knowledge, anecdotes, hints, humor, hands-on exercises and sound advice. With their combined 40 communications, the authors know how important a good tour guide is to delivering a quality visitor experience. Now they're sharing their knowledge with you. How to Be an Award-Winning Tour Guide is essential reading for tour guides, tour operators, coach drivers, hoteliers, wholesalers, retailers, students, educators, employers, travel writers, tourism officials, visitor centre employees, venue managers or anyone involved in the tourism industry.

CD-ROM contains files that correspond to each chapter of the book. These files include keywords with definitions, related websites, review questions and slides that highlight the key points.

The Chicago Food Encyclopedia is a far-ranging portrait of an American culinary paradise. Hundreds of entries deliver all of the visionary restaurateurs, Michelin superstars, beloved haunts, and food companies of today and yesterday. More than 100 sumptuous images include thirty full-color photographs that transport readers to dining rooms and food stands across the city. Throughout, a roster of writers, scholars, and industry experts pays tribute to an expansive--and still expanding--Chicago but fed a growing nation. Pizza. Alinea. Wrigley Spearmin. Soul food. Rick Bayless. Hot Dogs. Koreatown. Everest. All served up A-Z, and all part of the ultimate reference on Chicago and its food.

Everyone wants to visit New York at least once. The Big Apple is a global tourist destination with a dizzying array of attractions throughout the five boroughs. The only problem is figuring out where to start—and that’s where the city’s tour guides come in. These guides are a vital part of New York’s raucous sidewalk culture, and, as The Tour Guide reveals, the tours they offer are as fascinatingly diverse—and eccentric—as the city itself. Visitors can take tours that cover Manhattan’s nineteenth-century Irish gangs of Five Points, the culinary traditions of Queens, the culture of Harlem, or even the surveillance cameras of Chelsea—in short, there are tours to satisfy anyone’s curiosity about the city’s past or present. And the guides are as intriguing as the subjects, we learn, as Jonathan R. Wynn explores the lives of the people behind the tours, introducing us to office workers looking for a diversion from their desk jobs, unemployed actors honing their vocal skills calling. Matching years of research with his own experiences as a guide, Wynn also lays bare the grueling process of acquiring an official license and offers a how-to guide to designing and leading a tour. Touching on the long history of tour-giving across the globe as well as the ups and downs of New York’s tour guide industry in the wake of 9/11, The Tour Guide is as informative and insightful as the chatty, charming, and colorful characters at its heart.

Saipan Living

A comprehensive guide for moving to, finding a job, working, living or vacationing in the Northern Mariana Islands of Saipan, Tinian and Rotal

Private Tour, Group Tour and Activities

Tour guides, a highly responsible group of professionals who are in direct communication with tourists traveling around the world, have a great impact on the proper promotion of the culture of countries, global peace, and tolerance. Additionally, they are also effective in the preservation of world natural heritage. Thus, the educational status of tour guides, as well as the characteristics and ethical values that they should possess, need to be examined on an international scale. In today's world, where tourism demand is directed towards all types of tourism, practices in special interest tourism should be customized in order to ensure the highest level of service quality and cultural appreciation. Cases on Tour Guide Practices for Alternative Tourism provides emerging research exploring the theoretical and practical aspects of the occupational issues that surround tour guides and their applications within international tourism. Featuring coverage on a broad range of topics such as cultural education, specialized learning, and international business, this book is ideally designed for tour guides, travel agencies, tour managers, tour developers, heritage sites, museums, academicians, researchers, students, industry experts, and hospitality professionals.

What are the world's greatest destinations? Where are the best places to travel solo? From airport fashion to road trip rules, professional traveller Brooke Seward shows us where to go, what to do and how to get that holiday feeling without even leaving home. Full of beautiful photographs that will ignite the imagination and featuring enduring favourites like Paris, New York, and London, this is the book that will inspire you to make every day an adventure.

Tibet Tour and Travel Guide, Planning a mediocre Tibet tour is an easy job but planning a satisfying tour is what makes our job so challenging and specialized. Career Opportunities in Conservation and the Environment

The terms travel and tourism are often used interchangeably in tourism literature. This comprehensive textbook provides students with essential knowledge of the intricate relationship existing between travel, transport and tourism. The book analyses the structure, functions, activities, strategies and practices of each of the sectors in the travel industry, such as airlines, airports, tour operators, travel agencies and cruises. It is structured into six parts, covering all modes of transport (air, land and water), travel intermediation, the tour operation business and impacts and prospects for the future. International case studies are integrated throughout to showcase practical realities and challenges in the travel industry and to aid students’ learning and understanding. Written in an accessible and engaging style, this is an invaluable resource for students of tourism, hospitality, transport and travel management courses.

The facts and findings presented in this guide confirm that employment in tourism and the economic value of tourism in terms of employment remain inadequately measured and insufficiently studied. Employment in the tourism industries needs to be measured and described in a more consistent way supported by proper statistical instruments developed on international tools and enhanced through international cooperation. This guide provides some examples of best practices of measuring employment in the tourism industries from countries that have demonstrated capacity to develop a comprehensive set of employment indicators. This publication is a joint project by the International Labour Organization (ILO?) and UNWTO.

Provides information on the duties, salaries, employment prospects, and skills, training, or education necessary for more than sixty-five jobs that focus on nature and the environment.

***THE FIRST STEP TO A DYNAMIC CAREER** You have something in common with Bill Gates, Michael Dell and Ted Turner: None of them graduated from college. If they can make it, you can, too! Don't settle for a minimum-wage job just because you're not a college graduate. Try one of these 202 high-paying options. They're more than jobs—they're careers. This book helps you: • Define your interests and skills, and figure out what job is perfect for you • Impress recruiters by perfecting resumes, cover letters, applications and interview skills • Choose from 202 opportunities that lead to high income and long-term financial stability • Get the inside scoop on salary ranges, career paths, working conditions and job responsibilities for each opportunity Avoid dead-end jobs. Find the career that's right for you, and start your new life today!*

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as these places move, or go out of business and new business places are started giving added employment to members of our race.
