*stand on your Travel Quotient Knowledge Score. If you are a seasoned citizen of the world, you can expect a score of above 70%. If you are able to score 100% on all the questions, is your diet a combination of atlases and globes? Geography is fun. All of us know something about a few cities - this book will test that knowledge. The format is fairly simple: you will be given a series of cities in each set of questions. All you have to do is guess which country each city is in - you will, of course, be given options. We'll start you off easy, and slowly ramp up the difficulty. As you travel virtually through the most desirable destinations in the world, we hope that you can discover more about places you never knew existed, and that wanderlust awakens in your heart. The most common bucket list item for every human being is related to travel - whether it is to a special city, a special town, a special landmark, a mountain or*
