

Urban Watercolor Sketching Free Book

From artist, UrbanSketchers.org correspondent, and Quarry Books author Stephanie Bower, The World of Urban Sketching is a celebration of the art form from every part of the world, with a focus on its continued vitality and growing diversity, showcasing the evolution, techniques, and variety of artwork and artists.

Provides keys to help make the experience of drawing architecture and cityscapes fun and rewarding, using composition, depth, scale, contrast, line and creativity.

Learn to express yourself through color while painting on location with the in-depth tips and techniques of Working with Color, the fifth volume in the Urban Sketching Handbook series. Expert watercolorist, illustrator, instructor, and co-founder of Urban Sketchers Montreal Shari Blaukopf shares her essential color tips about color-water ratio, achieving bold color, avoiding muddy washes, painting in layers, and using wet-in-wet techniques. This essential handbook covers: supplies and materials sample color palettes

mixing using limited palettes monochrome sketches the power of complementary colors using evocative, expressive color With a focus on using watercolor with greater confidence and knowledge, the book also delves into pencil and ink and watersoluble pencils. The instructional text is enhanced with stunning watercolor illustrations by the author and other expert urban sketchers from beautiful locations around the globe. The illustrations include examples of color swatches showing value; mixing illustrations of complementary, analogous, and neutral color schemes; and sample galleries. Working with Color is an indispensable guide for on-location artists looking to expand and strengthen their expressive use of color. Presents advice for creating urban sketches, describing tools, paints, and types of papers and providing information on color theory and such watercolor techniques as wet-on-wet, glazes, and washes.

The Urban Sketching Handbook: Panoramas and Vertical Vistas shows how to observe, draw, and present architecture and landscapes from a variety of fascinating perspectives.

Just Add Watercolour is an innovative and accessible guide to this dynamic art form, packed with bite-sized creative painting tips and advice, offering aspiring artists the freedom to dip in and out for practical information or flick through for fresh inspiration and ideas. Showcasing nearly 100 works by contemporary artists across a range of different styles and approaches, Just Add Watercolour highlights and examines the different techniques, qualities and effects relating to each piece. Organized into chapters according to medium and materials (e.g. traditional watercolour, gouache, digital, mixed media) artwork is featured large and lushious, accompanied by extended captions, insightful tips and practical advice. A visual index at the front of the book enables the reader to easily identify a specific painting, style, colour or subject matter. Throughout the book, useful information and practical tips are provided on a wide range of topics such as tone, perspective, colour and much more besides. Readers are encouraged to discover the various ways in which similar subjects and styles are executed by different artists, while also being inspired to use the tips in the book as a way of building on their existing skills.

Offering a bold, refreshing change from other run-of-the-mill art books, Just Add Watercolour adopts the unique approach of accessing practical information via the images, focusing on the way subjects can be treated using a range of different watercolour techniques, rather than looking at how to master one single style.

Through 46 daily exercises which make up a complete 6-week course, you will keep your artistic skills sharp and your imaginations fertile by doing One Drawing A Day. Each spread in the book features a beautiful drawing by one of 8 professional illustrators, with a description and comments by the illustrator as well as a companion exercise. Each exercise includes suggestions for various mediums or mixed-media solutions, advice on how to approach and execute the drawing, as well as professional tips. The book also includes exercises designed to spark new ideas and increase creativity.

Sketching is more popular than ever, but busy lives leave almost no room for sitting down with a pad and pen, and practicing. Many people give up on their potential hobby (and artistic outlet) because they feel they just don't have the time to lay the groundwork. Here's a secret though: you do have time each day to practice, you just need to incorporate sketching into your daily life. Sketch Now, Think Later covers the tools, techniques and tips that author and Urban Sketching Correspondent of Boston Mike Daikubara has developed in his more than 15 years as a practicing artist, and will show you how to fully dive into any sketching situation with limited time and tools, and still be able to produce memorable, great looking, fun sketches!

Drawing activities, art instruction, and advice for artists and non-artists alike. Urban sketching—the process of drawing on the go as a regular practice—is a hot trend in the drawing world. It's also a practical necessity for creatively minded people in a busy world. In this aspirational guide, self-taught French artist France Belleville-Van Stone emboldens readers to craft a ritual of their own and devote more time to art, even if it's just 10 minutes a day. She offers motivation to move beyond the comfort zone, as well as instruction on turning rough sketches into finished work. Belleville Van-Stone learned how to draw through her own daily practice and knows first-hand how hard it is to find time to incorporate creativity into a busy life. She encourages and teaches us how to do it with advice and guidance such as:
· An A-to-Z list of daily sketch prompts, from airports to bananas, faces to hands, meetings and workplaces
· Tips on what drawing supplies you can and should have—and how to carry them around
· Sections on accepting mistakes, drawing with limited resources, and redefining completion
· Plusses and minuses of going digital, including apps, styluses, and brushes
For those of us who dream of drawing in the minutes between school and work, bathtime and bedtime, and waking and walking out the door, the practical advice in Sketch! is a revelation. By sharing her own creative process, Belleville-Van Stone Sketch inspires artists both established and aspiring to rethink their daily practice, sketch for the pure joy of it, and document their lives and the world around them.

Harness the power of negative space! Breathe new life into your art through negative painting. Linda Kemp shares her techniques for using the strength of negative space - the areas not occupied by subject matter - to create alluring works of art. Watercolor Painting Outside the Lines is a comprehensive guide to evoking more passion in your paintings. You'll learn how to take hold of the often-overlooked areas of a painting through interactive, easy to follow elements including:
• Step-by-step techniques, exercises and projects
• Do-it-yourself tests and worksheets
• Troubleshooting suggestions and secrets
• Straightforward diagrams for color and design
Both beginning and advanced artists will benefit from negative painting concepts presented in this guide. Using landscapes, florals, and motifs from nature, you'll gain the skills and knowledge to make your next watercolor your most striking work yet.

Now in a new format, the best-selling book series, Urban Sketching, is reconfigured into this portable package, which includes an informational book and companion sketchpad full of prompts and drawings. This guide tackles specific challenges of making sketches on location. You'll know what to do rain or shine, quickly or slowly, and the most suitable techniques for every situation. From houses and shopping malls to public buildings and places of worship to the humans that live and work there, these people and places for shelter, commerce, industry, transportation, or recreation are fascinating subjects to study and sketch. Drawing the places where we live, work, and play is a great way to show appreciation and creativity!

A good sketch starts with good bones. The fourth book in the Urban Sketching Handbook series uses drawings and simple steps to explain the often challenging and overwhelming concepts of perspective in practical and useful ways for on-site sketching. Most books are either too abstract or don't provide enough information that relates to what you actually do when you're out in the busy, wide world about to start a drawing. Where do you start? How do you edit what you see to flatten and shrink it onto your paper? How does perspective work? The Urban Sketching Handbook: Understanding Perspective helps you learn to think like an architect, to draw buildings and spaces by reducing what you see to simple, basic shapes, then adding layers in simple steps, and finally finishing your sketch with detail, tone, and color-in accurate perspective. Full of helpful tips, architect and illustrator, Stephanie Bower even de-constructs sketches to show you how to create them! Once you understand perspective, it will change the way you see the world—you'll see perspective everywhere. Some of the key concepts explored in this volume are:
· Basic Terms
· Basic Spatial Principles
· Types of Perspective
· Building a Sketch in Layers
· Special Conditions

Tips and Techniques for Drawing on Location

An inspirational, instructional, and visually stimulating guide to sketching and drawing. Dare to Sketch is filled with practical tips about which materials to use, a variety of subject matter ranging from easy to more challenging, and wisdom about overcoming creative blocks and fear of making mistakes. A whimsical beginner's guide to sketching, covering all of the important basics: what kind of notebook to buy, what drawing materials to use, ideas for subject matter, and daily exercises. Includes inviting, inspirational, and idiosyncratic tips (don't start on the first page of your sketchbook!), Dare to Sketch is gorgeously illustrated with the author's unique and contemporary art style.

Award-winning illustrator Gabriel Campanario first introduced his approach to drawing in The Art of Urban Sketching, a showcase of more than 500 sketches and drawing tips shared by more than 100 urban sketchers around the world. Now, he drills down into specific challenges of making sketches on location, rain or shine, quickly or slowly, and the most suitable techniques for every situation, in The Urban Sketching Handbook series. It's easy to overlook that ample variety of characters that walk the streets everyday. From neighbors, dog walkers and shoppers to dancers and joggers, the people that move through the cities and towns are fascinating subjects to study and sketch. In The Urban Sketching Handbook: People and Motion Gabriel lays out keys to help make the experience of drawing humans and movements fun and rewarding. Using composition, depth, scale, contrast, line and creativity, sketching out citizens and the way they move has never been more inspirational and entertaining. This guide will help you to develop your own creative approach, no matter what your skill level may be today. As much as The Urban Sketching Handbook: People and Motion may inspire you to draw more individuals, it can also help to increase your appreciation of the folks around you. Drawing our postal workers, shopkeepers and neighbors, is a great way to show your appreciation and creativity.

Experience the freedom of watercolor painting and let go of fear! You'll have no excuse not to paint when you follow Gina Rossi Armfield as she shares her intuitive and inspirational approach to sketching and painting animals. Watercolor is the perfect medium for capturing the flowing textures, patterns and playful personalities of your favorite furry, feathered and farmyard friends. And it's fun using organic, sketchbook-style techniques to create soulful animal portraits. No intimidating exercises—just colorful and expressive works of art! The animal field guide is divided into 3 sections—Paws, Claws and Hooves—with 15 different animal projects that each include a photo reference, color palette and sketch template. Inside you'll find:
• Tricks for painting fur, feathers, beaks, claws, hooves and eyes
• Essential and easy paintbrush and watercolor instruction
• Guidance for working from photo reference
• Creative background and text overlay ideas

For the last ten years, urban sketcher Marc Taro Holmes has been on a mission to travel the world drawing and painting on location. Thousands of loyal readers worldwide have been following his award-winning blog at CitizenSketcher.com, learning from his freely shared articles featuring hundreds of sketchbook drawings and watercolor paintings, his first-hand experiments with field-sketching gear, free downloadable art-workshops, and numerous over-the-shoulder, step-by-step demonstrations Along the way Marc wrote the instant classic: The Urban Sketcher: Techniques for Seeing and Drawing on Location (4.6 stars 180+ reviews). Marc is also the presenter of two online courses: Travel Sketching in Mixed Media and Sketching People in Motion (available from Crafts.com). With his latest book, Direct Watercolor Marc brings you a retrospective collection of over eighty of his watercolor paintings, painted side-by-side with fellow urban sketchers in ten different countries. This is the work of a plein-air painter at the top of his game, seen for the first time as a single body of work, and accompanied with his latest thoughts on the medium of watercolor. Also included - six completely new step-by-step demonstrations, systematically explaining his deceptively simple approach to painting. Marc shows you how to paint rapidly, with little or no preparation and the minimum of supplies, unlocking the secrets of spontaneous, expressive watercolor, with a unique personal vision. Whether you're already one of Marc's readers or are about to discover his boldly expressive approach, Direct Watercolor offers you the keys to unlocking your own adventures as a sketchbook artist, traveling watercolorist, or unconventional studio painter. Please note: This ebook version of Direct Watercolor is only suitable for full-color displays such as the Kindle Fire, or the Kindle app for tablets, phones, laptops, and computers.

The Urban Sketching Handbook: Color First, Ink Later presents a unique method for working with watercolor on the go—painting first, then adding sketch lines in ink—by Mike Daikubara, the author of The Urban Sketching Handbook: Sketch Now, Think Later.

A guide that shows painters, drawers, doodlers, and urban sketchers how to bring their drawings to life with colorful, bold, yet accessible painting methods. Watercolor sketching is a rapidly emerging technique that enlivens sketches done in pen or pencil with the expressive washes, glazes, and luminous hues of watercolor . This lushly illustrated resource teaches artists on the go how to sketch with watercolor, rendering subjects efficiently and without inhibitions. Readers are guided through all aspects of the medium, from fundamental techniques including wet-on-wet, glazing, and washes; materials and supplies; and little known tips and tricks for getting the most out of watercolor (for example, just sprinkling a little salt on your painting creates a texture that's impossible to achieve with a brush.) A strong focus color theory provides a solid foundation for enhancing drawings with vibrant hues.

For anyone who can hold a pencil can learn to draw. In this book, Bert Dodson shares his complete drawing system—fifty-five "keys" that you can use to render any subject with confidence, even if you're a beginner. These keys, along with dozens of practice exercises, will help you draw like an artist in no time. You'll learn how to:
• Restore, focus, map, and intensify
• Free your hand action, then learn to control it
• Convey the illusions of light, depth, and texture
• Stimulate your imagination through "creative play"

Urban sketching has become one of the biggest art trends of the last decade, with artists preferring to capture a scene on location rather than relying on a photograph. Featuring 20 step-by-step exercises, Sketch Club: Urban Drawing is your essential guide to putting your drawing skills into practice on location. You'll learn how to start, when to stop and how to fix common mistakes. Packed with all the energy and inspiration of a drawing group, this is the ideal book for anyone looking to take their urban drawing further. Perfect your urban drawing skills and develop your own unique style with professional urban sketcher, Phil Dean. Chapters include:
– Loosening Up
– Building a Scene
– Adding Contrast
– Taking it Further
– Finishing Touches

A Field Guide to Painting

"Published in Association with the Field Museum."

Everyday Sketching and Drawing offers an easy-to-follow, 5-step formula, which teaches beginner-friendly techniques for learning the skills necessary to make drawing and sketching an everyday habit. For those who have always wanted to or tried and failed to learn to draw it provides simple step-by-step instruction, plus easy-to-follow practice exercises, and provides the motivation and inspiration readers need to be successful. For those who already draw, Everyday Sketching and Drawing offers another technique to add to their drawing arsenal. Why do so many adults come to view drawing as difficult or fraught with anxiety? Traditional art instruction is often bogged down with jargon, rules, and admonishments that unintentionally stifle the joy of drawing for its own sake. Steven Reddy's new and easy approach to drawing instructs sketchers to document their unique and compelling lives in realistic yet playful sketches that record the places, spaces, and objects that help define them as individuals. He reminds artists to slow down, notice, and attend to the sketch-worthy scenes and subjects that are unstaged and always there in our everyday lives. He offers a versatile technique that can lead to a skill that fills sketchbooks with the visual details that differentiate one life from another. This approach is a meditative, relaxing alternative to academic concerns about perspective, proportion, and accuracy. Reddy encourages artists to capture in whimsical but detail-specific illustrations their unique, subjective interpretation of their visual surroundings. Steven Reddy's drawing method produces extremely detailed and realistic scenes of objects and scenes in everyday life in a relatively short period of time (60 minutes to 3 hours or more, depending on the sketcher's preference). Modifying a technique utilized by Old Master oil painters, the drawings pass through 5 clearly articulated stages where each step focuses on one visual concept at a time.

In The Urban Sketching Handbook: Techniques for Beginners, artist and Urban Sketcher correspondent Sahita Shirodkar shares essential skills for sketching architecture, people, and everyday objects on location. You'll learn the basics of value, color mixing, and perspective through helpful studies and exercises, whether at home, in studio, and on location. The Urban Sketching Handbook: Techniques for Beginners is perfect for anyone who's just getting started in this fascinating art form, or who wants to develop their observational and drawing aptitude by reinforcing basic concepts. TheUrban Sketching Handbook series offers location artists expert instruction on creative techniques, on-location tips and advice, and an abundance of visual inspiration. These handy references come in a compact, easy-to-carry format with an elastic band closure—perfect to toss in your backpack or artist's tote.

An inspirational, instructional, and visually stimulating guide to sketching and drawing. Dare to Sketch is filled with practical tips about which materials to use, a variety of subject matter ranging from easy to more challenging, and wisdom about overcoming creative blocks and fear of making mistakes. A whimsical beginner's guide to sketching, covering all of the important basics: what kind of notebook to buy, what drawing materials to use, ideas for subject matter, and daily exercises. Includes inviting, inspirational, and idiosyncratic tips (don't start on the first page of your sketchbook!), Dare to Sketch is gorgeously illustrated with the author's unique and contemporary art style.

The Urban Sketching Handbook: Architecture and Cityscapes

Packed with creative exercises and practical tips, this book will help you breathe life and expression into your urban sketches. In a time when most people have a camera or smartphone to hand at all times, the question of why we sketch is ever more relevant. A sketch cannot capture a scene with perfect accuracy instead, it is about something more. We sketch to capture an impression, record a feeling, create a personal interpretation; sketching is an act of personal expression. Whether you want to sketch to capture fleeting moments, experiences or locations in time, or to record impressions that you can return to and build on later, this book will show you how. The aim of the book is to encourage you to create quick, animated drawings that are full of life and expression. Whether you are looking to discover your own sketching style, or to build on your existing knowledge, this book is packed with quick exercises to get you thinking, theory to build up your knowledge base, and beautiful artworks to inspire you. The book is divided into seven lessons: tools, colour, composition, bringing a sketch to life, urban life, landscapes and human subjects - each contains learning objectives and tips to hone your technique. Decide how strong or detailed to make your linework; when to use pencil or ink; how much colour to use, and where; how to successfully compose an image and use perspective to bring it to life; how to use contrast; how to incorporate detail; how to sketch landscapes, urban features and human subjects. It is when we bring together all these different elements of an urban scene that our sketches come to life.

Features access to video tutorials! Designed to help architects, planners, and landscape architects use freehand sketching to quickly and creatively generate design concepts, Freehand Drawing and Discovery uses an array of cross-disciplinary examples to help readers develop their drawing skills. Taking a “both/and” approach, this book provides step-by-step guidance on drawing tools and techniques and offers practical suggestions on how to use these skills in conjunction with digital tools on real-world projects. Illustrated with nearly 300 full color drawings, the book includes a series of video demonstrations that reinforces the sketching techniques.

Make the world your studio! Capture the bustle and beauty of life in your town. Experience life as only an artist can! Join the rapidly growing, international movement of artists united by a passion for drawing on location in the cities, towns and villages where they live and travel. Packed with art and advice from Marc Taro Holmes, artist and co-founder of Urbansketchers.org, this self-directed workshop shows you how to draw inspiration from real life and bring that same excitement into your sketchbook. Inside you'll find everything you need to tackle subjects ranging from still lifes and architecture to people and busy street scenes.
• 15 step-by-step demonstrations cover techniques for creating expressive drawings using pencil, pen and ink, and watercolor.
• Expert tips for achieving a balance of accuracy, spontaneity and speed.
• Practical advice for working in the field, choosing subjects, coping with onlookers, capturing people in motion and more.
• Daily exercises and creative prompts for everything from improving essential skills to diverse approaches, such as montages, storytelling portraits and one-page graphic novels. Whether you are a habitual doodler or a seasoned artist, The Urban Sketcher will have you out in the world sketching from the very first page. By completing drawings on the spot, in one session, you achieve a fresh impression of not just what you see, but also what it feels like to be there. . . visual life stories as only you can experience them.

From beautifully dynamic leaves, flowers, and trees to simple geometric shapes and patterns, Modern Watercolor provides a colorful and fun approach to working with watercolor. It's time to get your feet wet with watercolors! This dynamic and inspirational guide will set you down a path of exploration as you learn to play with watercolors. Learn to use basic techniques and principles to create beautiful, expressive works of art. With Modern Watercolor, discover how to paint in watercolor by harnessing the medium's unique transparent qualities to create stunning works of art, stationery, gifts, and more. From selecting your first watercolor paints to learning to blend colors into a unique palette, we are here to guide you as you begin your journey. By the end, your paintings will be cohesive and rich. The easy-to-follow lessons explore using watercolor on different surfaces, how to create basic shapes using fun techniques, and how to create myriad gorgeous effects that can be achieved with different brushes and strokes. You can even learn how to add layers of dimension and texture, as well as how to work with resist techniques to create pretty patterns and gorgeous backgrounds. Whether you're an experienced artist seeking a playful escape or a beginner who has never held a paintbrush, there's something for everyone in Modern Watercolor.

The Art and Architecture of an Urban Raptor Recovery

The Urban Sketching Handbook Color First, Ink Later

Watercolor Painting Outside the Lines

An Introduction

How to Build a Practice for Sketching on Location

The Art of Urban Sketching

Super-Quick Techniques for Amazing Drawings

The Art of Urban Sketching is both a comprehensive guide and a showcase of location drawings by artists around the world who draw the cities where they live and travel. Authored by the founder of the nonprofit organization Urban Sketchers (www.urbansketchers.org), this beautiful, 320-page volume explains urban sketching within the context of a long historical tradition and how it is being practiced today. With profiles of leading practitioners and discussions of the benefits of working in this art form, this inspiring book shows how one can participate and experience this creative outlet through modern-day social networks and online activity. You'll find more than 600 beautiful, contemporary illustrations, as well as artists' profiles and extended captions where these urban sketchers share their stories, how they work, sketching tips, and the tools behind each drawing. With sketches and observations from more than 50 cities in more than 30 countries, TheArt of UrbanSketching offers a visually arresting, storytelling take on urban life from different cultures and artistic styles, as well as insight into various drawing techniques and mediums.

Master the challenges of drawing on location with this collection of insider know-how and expert tips and techniques. Illustrator, architect, and international workshop instructor and Urban Sketcher Stephanie Bower has collected 101 of her best insider drawing tips, hacks, and techniques and shares them in this fully illustrated, portable book. Learn shortcuts to getting your perspective right, determining your composition, and balancing your light and shadow. This book collects many basic drawing techniques into one handy volume: How to draw a great line Using ellipses to draw arches How towers are like wedding cakes The importance of your eye level line in sketching and 97 things more! The book also features beautiful example illustrations from Urban Sketchers around the globe! Whether you are new to sketching or are an experienced artist, this book is chock-full of useful, practical, and clever tips to take your drawing to the next level. The Urban Sketching Handbook series offers location artists expert instruction on creative techniques, on-location tips and advice, and an abundance of visual inspiration. These handy references come in a compact, easy-to-carry format with an elastic band closure—perfect to toss in your backpack or artist's tote.

Zen of Drawing inspires you to pick up a pen, pencil or an iPad and start drawing what you see with a "zen" approach. Author Peter Parr has spent his career in animation successfully teaching people to draw and encouraging students to nurture their skills through observational drawing. He advocates a fresh way of looking closely at your subject and enlisting an emotional response, in order to fully appreciate the nature of what you are about to draw. You will learn that whatever you are drawing, it is essential not only to copy its outline but also to ask yourself: is it soft, smooth or rough to the touch? How heavy is it? Is it fragile or solid? Then, having grasped the fundamental characteristics, or zen, of the object, make corresponding marks on the paper - crisp textures, a dense wash, a scratchy or floating line. The chapters cover: Keeping a sketchbook; tools (pen, pencil, charcoal, watercolour and iPad); perspective; line and volume; tone and texture; structure and weight; movement and rhythm; energy, balance and composition.

From the first brushstroke to the finishing touch, let the Portfolio series guide you as you begin your artistic journey in watercolor painting. Beginning Watercolor teaches aspiring artists everything they need to know to get started painting in watercolor. This helpful resource begins with a basic introduction to the essential tools and materials artists need to get started, including choosing the right paintbrushes, watercolor paints, sketchbooks, and canvas. Additionally, artists will learn the fundamentals of watercolor, as well as a variety of painting techniques, including creating washes, mixing colors, creating soft blends, rendering realistic textures, and working wet-into-wet. Beginning Watercolor guides beginners through a series of easy-to-follow, step-by-step projects covering a variety of watercolor methods and techniques, including helpful tips and advice when painting landscapes, still lifes, portraits, and more. With helpful tips and detailed, beautiful artwork to guide and inspire, Beginning Watercolor

is the perfect resource for watercolor artists just getting started in this colorful medium.
