There's nothing quite like baking - fun, relaxing and oh so delicious - but it's not always the simplest of hobbies, and the road to baking bliss can be littered with sunken sponges and burnt brownies, which is where the Good Food team come in! In Easy Baking Recipes, the UK's best-selling cookery magazine has gathered together simple baking recipes that anyone can try! From simple classics like sponges and chocolate

cakes, to impressive celebration cakes and mouth-watering savoury bakes, every recipe has been triple-tested in the Good Food kitchen, so you can cook with complete confidence. With simple step-by-step instructions and a photograph of every dish, this handy cookbook will transform a baking novice into a true star baker! Beatrice Ojakangas, an authority on convection cooking and author of more than two dozen previous cookbooks,

explains how to use your convection oven to achieve perfect results in dramatically less time than with a conventional oven. If you own a convection oven, but don't really know how to use it, this book is for you. Cooking with Convection supplies more than 150 great recipes for snacks and appetizers; pizza and foccacia; soups; roast beef, lamb, pork and poultry; savory pies and tarts; casseroles and pasta; vegetables; yeast breads and quick breads;

cakes, cookies, pies, and pastries; and much, much more. Try Melted Onion Tart with Parmigiano-Reggiano, Mexican Vegetable Tortilla Soup, Tandoori Salmon with Cucumber Sauce, Asian Spiced Roast Whole Chicken, and Cocoa Cake with Easy Buttercream Frosting, among so many imaginative and easy dishes. You will learn:

- *How to cook a whole meal in your oven-from meat to side dishes to dessert-all at the same time**
- *How to cook**

multiple batches of cookies, cakes, and pies on three or even four oven shelves *How to roast and bake in a third less time than in a conventional oven while achieving even better results *How to calculate the correct temperature and timing for convection cooking if you are using a standard recipe By circulating hot air around food, convection ovens cook and brown food much more quickly and at a lower temperature than conventional ovens, while

retaining food's natural juiciness and flavor. With this book you will be able to save significant amounts of time and effort while turning out delicious dishes for everyday meals and easy entertaining.

Combining the speed of a conventional fan oven with the instant heat of the halogen to cook food more efficiently, the halogen oven is a boon to any kitchen. With more than 100 delicious recipes that really work, and stunning

photography throughout, this book will inspire you to get the most from your halogen oven. A halogen oven is a very versatile piece of equipment, it does everything your normal oven would do, slightly quicker and certainly cheaper. The Halogen Oven Cookbook is a comprehensive collection of inventive and delicious recipes, designed to harness the potential of this wonderful kitchen appliance. With tried-and-tested dishes that will

have a rack every time to allow proper air circulation around food. It is not good to directly put food in a glass bowl. The low rack of oven is good for slow cooking, steaming, defrosting, roasting and baking. The top rack is good for grilling, searing, frying and toasting your food. The low rack is good to keep food away from heat. This rack is a good choice for food that needs slow cooking, such as fish, steam vegetables, casseroles and stews. You can make chips, steak, chops, sausages, toast, pizza and burgers on high rack. remarkable revolution in cooking, a cooker that can be used on the table top, plugged into an ordinary socket, which can even be taken on camping and road trips. It works by converting electrical energy into intense heat, and uses infrared waves and a fan to circulate the heat. This means food is ready in half the time of a conventional oven, without the need for cooking fat or oil, and unlike a microwave it can also brown and crisp your cooking. This ultimate new book contains all the help and advice you need to make the most of your halogen oven and
